Las Pruebas de la Evolución se Esfuman (Spanish Edition) By Thomas Heinze

¿Les enseñan a sus hijos "pruebas" científicas que ya fueron refutadas?

Muchos en el mundo han sido persuadidos a abandonar a Dios por algunas "pruebas de la evolución" publicadas en libros de texto. "Las Pruebas de la Evolución se Esfuman" muestra cómo se ha demostrado que cada una de esas "pruebas" son falsas.

No observe pasivamente mientras sus hijos y los maestros son engañados. Provéales información que fortalezca su fe y les permita ayudar a otras personas.

La explicación se encuentra en este libro totalmente científico, el cual muestra con claridad que la verdadera ciencia apoya la posición creacionista y refuta la evolución.

Este libro presenta evidencias poderosas de que Dios es el Creador y concluye guiando al lector hacia Él
