Editorial Review

From the Back Cover

Study brings wisdom. Practice brings perfection.

This is the eagerly awaited follow-up to Johan Hellsten's acclaimed *Mastering Chess Strategy*. In this new book Hellsten focuses exclusively on opening play. He examines a wide variety of key subjects, including development, the centre, attack and defence, pawn breaks, typical mistakes and how to punish them, and opening preparation, providing the reader with a vital foundation in opening strategy. Just like his previous book, *Mastering Opening Strategy* is a product of Hellsten's many years' work as a full-time chess teacher and is specifically designed as part of a structured training programme to improve strategic thinking. In addition to the many examples there's an abundance of carefully selected exercise games which allow readers to monitor their progress and put into practice what they have just learned. Following such a course is an ideal way for players of all standards to improve. Although designed mainly for students, this book is also an excellent resource for chess teachers and trainers.

*An essential course in opening strategy

*Contains over 350 pages of Grandmaster advice

*Includes over 200 examples and exercise games

About the Author

Johan Hellsten is a Grandmaster, a former Swedish Champion and a European Team Championship individual gold medallist. He's a renowned chess teacher and has firmly established himself as a writer with outstanding credentials.

Users Review

From reader reviews:

James Sellers:

Why don't make it to be your habit? Right now, try to ready your time to do the important take action, like looking for your favorite guide and reading a publication. Beside you can solve your trouble; you can add your knowledge by the reserve entitled *Mastering Opening Strategy*. Try to make book *Mastering Opening Strategy* as your close friend. It means that it can being your friend when you feel alone and beside that of course make you smarter than in the past. Yeah, it is very fortunated to suit your needs. The book makes you more confidence because you can know every thing by the book. So , we need to make new experience as well as knowledge with this book.

Nancy Smith:

Reading a reserve tends to be new life style with this era globalization. With reading you can get a lot of information which will give you benefit in your life. Having book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Many author can inspire all their reader with their story

or even their experience. Not only situation that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some study before they write to the book. One of them is this Mastering Opening Strategy.

Stella Keith:

Mastering Opening Strategy can be one of your nice books that are good idea. Most of us recommend that straight away because this book has good vocabulary that will increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The writer giving his/her effort that will put every word into enjoyment arrangement in writing Mastering Opening Strategy but doesn't forget the main point, giving the reader the hottest as well as based confirm resource details that maybe you can be considered one of it. This great information could drawn you into completely new stage of crucial pondering.

Vincent Mickens:

This Mastering Opening Strategy is great reserve for you because the content which is full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great plan word or we can declare no rambling sentences in it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tough core information with wonderful delivering sentences. Having Mastering Opening Strategy in your hand like obtaining the world in your arm, information in it is not ridiculous just one. We can say that no reserve that offer you world in ten or fifteen small right but this book already do that. So , it is good reading book. Hello Mr. and Mrs. hectic do you still doubt in which?
