No Other Story (A Whole Nother Story) By Dr. Cuthbert Soup

The Cheeseman family is back from back-in-time. In other words, they're in the present time. Well, presently, at least. They're soon to journey back again-only just a few years this time-to save the life of their beloved mother. But when Mr. Cheeseman and his three smart, polite, and relatively odor-free children get to the not-so-distant-past, they meet something utterly surprising. Something wilder than anything they've seen before -- including cowboy poets and good-natured pirates. They are about to meet . . . The alternate versions of themselves! Old and new fans won't want to miss this surprising and hilarious page turner of a book. *A Whole Nother Story* was good. *Another Whole Nother Story* was better. But *No Other Story* is the best (plus it's got a shorter title).
