Tannenberg 1410: Disaster for the Teutonic Knights (Campaign) By Stephen Turnbull

By 1400 the long running conflict between the Order of Teutonic Knights and Poland and Lithuania was coming to a head, partly as a result of the Order's meddling in the internal politics of its neighbours. In June 1410 King Wladislaw Jagiello of Poland invaded the Order's territory with a powerful allied army including all the enemies of the Teutonic Knights – Poles, Lithuanians, Russians, Bohemians, Hungarians, Tartars and Cossacks. This book recounts how, when the armies clashed on the wooded, rolling hills near the small village of Tannenberg, the Teutonic Knights suffered a disastrous defeat from which their Order never recovered.

Editorial Review

From the Publisher

Highly visual guides to history's greatest conflicts, detailing the command strategies, tactics, and experiences of the opposing forces throughout each campaign, and concluding with a guide to the battlefields today.

About the Author

Stephen Turnbull is recognised as one of the world's foremost military historians of the medieval and early modern periods. He first rose to prominence as a result of his book published in 1977, *The Samurai: A Military History*. Since then he has achieved an equal fame in writing about European military subjects and has had over 30 books published.

Users Review
