Terrible Secrets: Ted Bundy on Serial Murder By Stephen G. Michaud, Robert D. Keppel

Ted Bundy is the most darkly fascinating, and widely analyzed, serial killer of the past century, possibly ever. No sex criminal, from Jack the Ripper to Zodiac to the Green River Killer, inhabits the popular mind as does Bundy. Now, the two men who know Bundy's criminal nature best – Dr. Robert Keppel and author Stephen Michaud – have teamed to write the definitive narrative of Bundy's bloody career, as well as the inside story of how Keppel tracked the elusive killer for 15 years, from his first days as a rookie Seattle homicide investigator to a series of tense encounters within the Florida State Prison where Bundy, in a doomed attempt at forestalling his execution, finally gave up some of his Terrible Secrets.

The story of Keppel's long struggle to identify the handsome, articulate onetime law student, and confront him with his crimes, is abundantly illustrated with photos, drawings and documents from the investigator's personal file. The book's dozens of pictures include a map of Bundy's Issaquah, Washington, hillside body dump that Ted drew for Keppel at the prison. Also shown for the first time are handwritten notes from Bundy's investigative file.

The authors also draw from Keppel's extensive mail correspondence with Bundy. The result is a riveting, close-up portrait of a "diabolical genius," as a federal judge described Bundy, stripped of myths and misinformation and revealed - in his own words – for the archly-sly, murder-obsessed predator he became. There's never been a book quite like Terrible Secrets.

Delves into the investigation in more complete detail than ever before - Kevin Fagan, *San Francisco Chronicle*

Users Review

From reader reviews:

Larry Gutierrez:

Do you have something that you enjoy such as book? The publication lovers usually prefer to opt for book like comic, quick story and the biggest an example may be novel. Now, why not trying Terrible Secrets: Ted Bundy on Serial Murder that give your pleasure preference will be satisfied by simply reading this book. Reading practice all over the world can be said as the way for people to know world better then how they react to the world. It can't be said constantly that reading habit only for the geeky person but for all of you who wants to always be success person. So , for all of you who want to start reading as your good habit, you may pick Terrible Secrets: Ted Bundy on Serial Murder become your personal starter.

James Goodman:

Reading a book to get new life style in this season; every people loves to study a book. When you study a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you want to get information about your review, you can read education books, but if you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, in addition to soon. The Terrible Secrets: Ted Bundy on Serial Murder offer you a new experience in reading through a book.

Cara Shaver:

Is it a person who having spare time and then spend it whole day by watching television programs or just resting on the bed? Do you need something totally new? This Terrible Secrets: Ted Bundy on Serial Murder can be the reply, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these publications have than the others?

Rita Furguson:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart or real

their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Terrible Secrets: Ted Bundy on Serial Murder can make you experience more interested to read.
