### The Clan of the Cave Bear (with Bonus Content): Earth's Children, Book One By Jean M. Auel

**This eBook includes the full text of the novel plus the following additional content:**

- An exclusive preview chapter from Jean M. Auel's *The Land of Painted Caves*, on sale in hardcover March 29, 2011
- An Earth's Children® series sampler including free chapters from the other books in Jean M. Auel's bestselling series
- A Q&A with the author about the Earth's Children® series

This novel of awesome beauty and power is a moving saga about people, relationships, and the boundaries of love. Through Jean M. Auel's magnificent storytelling we are taken back to the dawn of modern humans, and with a girl named Ayla we are swept up in the harsh and beautiful Ice Age world they shared with the ones who called themselves **The Clan of the Cave Bear**.

A natural disaster leaves the young girl wandering alone in an unfamiliar and dangerous land until she is found by a woman of the Clan, people very different from her own kind. To them, blond, blue-eyed Ayla looks peculiar and ugly--she is one of the Others, those who have moved into their ancient homeland; but Iza cannot leave the girl to die and takes her with them. Iza and Creb, the old Mogur, grow to love her, and as Ayla learns the ways of the Clan and Iza's way of healing, most come to accept her. But the brutal and proud youth who is destined to become their next leader sees her differences as a threat to his authority. He develops a deep and abiding hatred for the strange girl of the Others who lives in their midst, and is determined to get his revenge.

#### Amazon.com Review

When her parents are killed by an earthquake, 5-year-old Ayla wanders through the forest completely alone. Cold, hungry, and badly injured by a cave lion, the little girl is as good as gone until she is discovered by a group who call themselves the Clan of the Cave Bear. This clan, left homeless by the same disaster, have little interest in the helpless girl who comes from the tribe they refer to as the "Others." Only their medicine woman sees in Ayla a fellow human, worthy of care. She painstakingly nurses her back to health--a decision that will forever alter the physical and emotional structure of the clan. Although this story takes place roughly 35,000 years ago, its cast of characters could easily slide into any modern tale. The members of the Neanderthal clan, ruled by traditions and taboos, find themselves challenged by this outsider, who represents the physically modern Cro-Magnons. And as Ayla begins to grow and mature, her natural tendencies emerge, putting her in the middle of a brutal and dangerous power struggle.

Although Jean Auel obviously takes certain liberties with the actions and motivations of all our ancestors, her extensive research into the Ice Age does shine through--especially in the detailed knowledge of plants and natural remedies used by the medicine woman and passed down to Ayla. Mostly, though, this first in the series of four is a wonderful story of survival. Ayla's personal evolution is a compelling and relevant tale. --

#### Review

'Beautiful, exciting, imaginative' -- New York Times 'A major bestseller ... a remarkable work of imagination' -- Daily Express 'It's nice to rediscover an old classic that, upon reading 30 years after it was first published, still has appeal ... Auel's simple but engaging storytelling skill is still a joy.' -- Sunday Mail, Brisbane
