### The Rough Guide to Unexplained Phenomena 2 (Rough Guide Reference)

By John Michell, Bob Rickard, Rough Guides

*The Rough Guide to Unexplained Phenomena* is an exploration of the zone that lies between the known and the unknown, a shadowy territory that's home to the lake monsters, combusting people, teleporting frogs and man-eating trees. Taking a Fortean path between dogmatic scientists and credulous believers, the authors trace tales of wonder back to their sources, drawing from a huge archive of observations, opinions and discussions. This updated second edition boasts new illustrations and plenty of intriguing new sections from near death experiences to ghosts, haunted houses and mysterious mass deaths. There are many things which are not yet known or understood about our world - as this guide shows there are many riddles to solve and wonders to experience.
