Heal Thyself for Health and Longevity By Queen Afua

The healer differs from the medical doctor in that the medical doctor is a learned and trained technician in methods of alleviating systems of illness that may not be part of his/her personal experience learned to utilize life's obstacles for growth and development. when, through understanding trial and error, and obstacle, problem or illness is overcome and a new experience of benefit is born out of an old problem, true healing has taken place. When such an individual extends his/her healing experience to others to help guide them through what they have experienced, a healer is created. The process is continual. as the healer helps to guide others he/she too is guided from 12 worked on by Queen Afua. she was about to apply a healing agent to my body when right before the applications the congestion in my chest began to break up and disperse. this was quite an extraordinary experience, i might add.

Editorial Review

Review

" You have helped me on a journey that may just fulfill me in this lifetime. Thank you for directing me into the correction of the light. Not often do souls manifest that they are true healers and believers. Thank you for your divine contribution to our Afrikan race. I now have the urge to purge. Let the healing begin. -- *Ralph Carter of Good Times*

"One of the best things I have ever done was to come to Queen Afua's Heal Thyself Center for treatment." -- *Curtis Washington*

About the Author

" I, Queen Afua, born Helen Odel Robinson, am reaching back into the beginning of time and drawing the strength, power, and dignity of those ancient times and ancient folks. I affirm for my people and all the people right here and now that our personal, spiritual and physical liberation is through purification. All I am able to reach I will share this Freedom call-- Liberation through Purification!"

Users Review

From reader reviews:

Alex Levey:

Nowadays reading books be a little more than want or need but also get a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book this improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want drive more knowledge just go with training books but if you want really feel happy read one along with theme for entertaining for example comic or novel. The particular Heal Thyself for Health and Longevity is kind of reserve which is giving the reader unstable experience.
