Intermediate Microeconomics and Workouts in Intermediate Microeconomics (Ninth Edition) By Carl T. Bergstrom, Hal R. Varian

Rigorous and modern?the #1 text for Intermediate Microeconomics from the chief economist at Google.

This best-selling text is still the most modern presentation of the subject. The Varian approach gives students tools they can use on exams, in the rest of their classes, and in their careers after graduation.

A supplemental book of problems and exercises keyed to the text. *Workouts* is a straightforward, proven solution for instructors who want to help students apply the tools of the course and for students who want extra practice developing these skills.

Editorial Review

About the Author

Carl T. Bergstrom is a professor in the Department of Biology at the University of Washington in Seattle and a member of the external faculty at the Santa Fe Institute. He received his undergraduate degree in 1993 from Harvard University where he worked with Naomi Price and David Haig, and his PhD in 1998 from Stanford University where he worked with Marc Feldman. His postdoctoral work was done with Bruce Levin at Emory University. Dr. Bergstrom's research uses mathematical models and evolutionary theory to understand biological and social processes on scales from intracellular information processing to the population-wide spread of emerging infectious diseases. In addition to teaching the undergraduate evolution course at the University of Washington, Dr. Bergstrom teaches courses on evolution and medicine, game theory and animal behavior, and mathematical biology.

Hal R. Varian is the chief economist at Google.
