### Resurgence (Don Pendleton's Mack Bolan) By Don Pendleton

A raid on a sex slave depot on the U.S. eastern seaboard is the launching pad of an international firestorm for Mack Bolan. His target—the Albanian mafia—is rapidly expanding its American network with help from the resurrected Kosovar terrorist group, the KLA. After mopping up the mob's stateside end of the pipeline, Bolan and a beautiful Russian agent track the long reach of drugs, human trafficking and black-market arms sales across the Atlantic to the port city of Marseille, France. Bolan blazes a trail of incendiary retribution through corrupt officials, Corsican drug lords and terrorist infrastructure. At the top of his death game, he plays to his enemy's weaknesses, inciting betrayal and panic. But the main event lies across the Adriatic, where the godfather of the Albanian mob is about to get a visit from the Executioner—and a one-way ticket to his own personal hell.
