**Ring of Fire: The Inside Story of Valentino Rossi and MotoGP** By Rick Broadbent

*Ring of Fire* is an insider's account of the acclaim, heroism and pressures of being a MotoGP racer. This is a world where manufacturers invest millions, and where a rider will emerge from a coma with shattered bones to get back on his bike to save his job and race again for the checkered flag.

This covers the whole of the modern MotoGP era, at the center of which is the phenomenal Valentino Rossi. *Ring of Fire* charts his rise, fall and rebirth, detailing the dark side of his infamous rivalries with Max Biaggi and Sete Gibernau as well as his battles with the tax man and the media. This warts-and-all tale offers an insightful, behind-the-scenes look at what makes these riders tick, from double World Superbike champion James Toseland to warring Spanish heroes Jorge Lorenzo and Dani Pedrosa.

Rick Broadbent introduces us, not just to the stars, but also to the officials, parents, doctors, team owners and fans who make up this white-knuckle sport.

By turns funny, sad, shocking and uplifting, *Ring of Fire* brings us face to face with all those who are bonded by a shared love of risking it all at 200 mph.

### Editorial Review

#### Review

"This is a stunning book. It is history but reads like a "can't put it down" novel - hardly surprising considering it grippingly features the two greatest motor cyclists of all time, Mike Hailwood and Valentino Rossi. Rick Broadbent tells the enthralling story of a thrilling and dangerous sport like never before and it had me by the throat" Murray Walker "It was an odd decision to alternate a celebration of the brilliance of Valentino Rossi, today's Italian motorcycling superstar, with a reconstruction of episodes from the life and times of Mike Hailwood, the biking ace of the 1960s and 1970s, but it succeeds brilliantly. The technology is quite different, and so are the rewards, but the requirements of a true racer - courage and skill - are unchanging. In this hymn of praise to those who live closest to the edge, you can smell the grease and burning rubber." -- Nick Pitt Sunday Times 20091129 "Peppered with anecdotes and insight... a fantastic, page turning read which presents a window into the personalities which are normally only seen on the track or in a press conference" MotoGPBlog "A fantastic new book... well worth getting" MotoGP World 20090714 "Impressive" Leicester Mercury 20090810

From the Inside Flap

*Ring of Fire: The Inside Story of Valentino Rossi and MotoGP* intertwines the stories of two of the sport's greatest riders—current megastar Valentino Rossi and 1960s legend Mike Hailwood—painting a revealing portrait of the racers, personalities, and behind-the-scenes intrigue from both eras. Packed with engaging character studies and unforgettable anecdotes, this book takes the reader into the world of MotoGP like never before.

### Users Review
