The American Promise, Volume I: To 1877: A History of the United States
By James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann

The American Promise is more teachable and memorable than any other U.S. survey text. The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories. The voices of hundreds of Americans — from Presidents to pipefitters, and sharecroppers to suffragettes — animate the past and make concepts memorable.

The past comes alive for students through dynamic special features and a stunning and distinctive visual program. Over 775 contemporaneous illustrations — more than any competing text — draw students into the text, and more than 180 full-color maps increase students' geographic literacy. A rich array of special features complements the narrative, offering more points of departure for assignments and discussion. Longstanding favorites include *Documenting the American Promise*, *Historical Questions*, *The Promise of Technology*, and *Beyond America's Borders*, representing a key part of our effort to increase attention paid to the global context of American history.

Users Review

From reader reviews:

Vincent Overly:

In this 21st century, people become competitive in most way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of the particular crowded place and notice by surrounding. One thing that often many people have underestimated this for a while is reading. Yeah, by reading a guide your ability to survive raise then having chance to remain than other is high. For yourself who want to start reading the book, we give you this specific The American Promise, Volume I: To 1877: A History of the United States book as basic and daily reading e-book. Why, because this book is more than just a book.

Howard Martinez:

Spent a free a chance to be fun activity to try and do! A lot of people spent their spare time with their family, or their friends. Usually they doing activity like watching television, about to beach, or picnic in the park. They actually doing same every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Can be reading a book may be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to try look for book, may be the guide untitled The American Promise, Volume I: To 1877: A History of the United States can be excellent book to read. May be it is usually best activity to you.

Bradley Smith:

Do you have something that you prefer such as book? The e-book lovers usually prefer to decide on book like comic, quick story and the biggest the first is novel. Now, why not trying The American Promise, Volume I: To 1877: A History of the United States that give your pleasure preference will be satisfied by means of reading this book. Reading routine all over the world can be said as the means for people to know world much better then how they react in the direction of the world. It can't be explained constantly that reading practice only for the geeky individual but for all of you who wants to become success person. So , for all of you who want to start examining as your good habit, you are able to pick The American Promise, Volume I: To 1877: A History of the United States become your own personal starter.

Jose Crawford:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The American Promise, Volume I: To 1877: A History of the United States can make you sense more interested to read.
