Adolescence and Emerging Adulthood (5th Edition) By Jeffrey J. Arnett

Helps students understand how culture impacts development in adolescence and emerging adulthood.

Grounded in a global cultural perspective (within and outside of the US), this text enriches the discussion with historical context and an interdisciplinary approach, including studies from fields such as anthropology and sociology, in addition to the compelling psychological research on adolescent development. This book also takes into account the period of “emerging adulthood” (ages 18-25), a term coined by the author, and an area of study for which Arnett is a leading expert.

Arnett continues the fifth edition with new and updated studies, both U.S. and international. With Pearson’s MyDevelopmentLab Video Series and Powerpoints embedded with video, students can experience a true cross-cultural experience.

A better teaching and learning experience

This program will provide a better teaching and learning experience— for you and your students. Here’s how:

- *Personalize Learning* – The new MyDevelopmentLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.
- *Improve Critical Thinking* - Students learn to think critically about the influence of culture on development with pedagogical features such as Culture Focus boxes and Historical Focus boxes.
- *Engage Students* – Arnett engages students with cross cultural research and examples throughout. MyVirtualTeen, an interactive simulation, allows students to apply the concepts they are learning to their own "virtual teen."
- *Explore Research* – “Research Focus” provides students with a firm grasp of various research methods and helps them see the impact that methods can have on research findings.
- *Support Instructors* – This program provides instructors with unbeatable resources, including video embedded PowerPoints and the new MyDevelopmentLab that includes cross-cultural videos and MyVirtualTeen, an

interactive simulation that allows you to raise a child from birth to age 18. An easy to use Instructor's Manual, a robust test bank, and an online test generator (MyTest) are also available. All of these materials may be packaged with the text upon request.

Note: MyDevelopmentLab does not come automatically packaged with this text. To purchase MyDevelopmentLab, please visit: www.mydevelopmentlab.com or you can purchase a ValuePack of the text + MyDevelopmentlab (at no additional cost): ValuePack ISBN-10: 0205911854/ ValuePack ISBN-13: 9780205911851.

Editorial Review

Review

“There is a lot of information that gives breadth and depth to the content. In addition, the focus on cultural diversity far exceeds any other text on adolescent development.”

- Rob Weisskirch, *California State University- Monterey Bay*

“The greatest strength of this text is the focus on varying cultural lenses and the use of updated research studies and frameworks to help guide students in understanding multiple perspectives of adolescent development.”

- William Jared DuPree, *University of Houston Clear Lake*

“The cross-cultural emphasis is essential! It's the reason I chose the book over others at first. Emerging adulthood is really essential.”

- Mary Vandendorpe, *Lewis University*

“The way that the material is presented really resonates with the students and they really review it well at the end of the semester. This is a wonderful text for college students”

- Paige Curran, *Emmanuel College*

“It is the best book out there for cultural issues. It is engaging, well-written and my students like it.”

- Janet Gebelt, *Westfield State University*

From the Back Cover

Addressing both the changes in the study of adolescent behavior and the changes in the nature of adolescent development in Western society, this informative collection of readings provides a comprehensive cross cultural perspective of adolescent development. Covering every aspect of adolescent development as it takes place in cultures worldwide and historically, this book takes a longer age range approach to emerging adulthood and provides a look at this pivotal developmental period extending into the early twenties. Essays analyze the changes in the study of adolescent development and changes in adolescent development from age ten to early twenties historically and around the world. For individuals interested in adolescent development.

Users Review

From reader reviews:

Geraldine Dube:

This Adolescence and Emerging Adulthood (5th Edition) book is not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book will be information inside this guide incredible fresh, you will get information which is getting deeper you actually read a lot of information you will get. This specific Adolescence and Emerging Adulthood (5th Edition) without we know teach the one who looking at it become critical in pondering and analyzing. Don't become worry Adolescence and Emerging Adulthood (5th Edition) can bring any time you are and not make your tote space or bookshelves'

turn into full because you can have it with your lovely laptop even mobile phone. This Adolescence and Emerging Adulthood (5th Edition) having good arrangement in word and layout, so you will not experience uninterested in reading.

Gary Sandler:

Reading a e-book can be one of a lot of activity that everyone in the world likes. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a book will give you a lot of new data. When you read a publication you will get new information due to the fact book is one of various ways to share the information as well as their idea. Second, studying a book will make a person more imaginative. When you reading through a book especially hype book the author will bring that you imagine the story how the personas do it anything. Third, you can share your knowledge to other people. When you read this Adolescence and Emerging Adulthood (5th Edition), you may tells your family, friends and soon about yours guide. Your knowledge can inspire average, make them reading a reserve.

Elmer Pereira:

Precisely why? Because this Adolescence and Emerging Adulthood (5th Edition) is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret it inside. Reading this book beside it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your ability and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the reserve store hurriedly.

Glen Hall:

Are you kind of occupied person, only have 10 as well as 15 minute in your day time to upgrading your mind proficiency or thinking skill even analytical thinking? Then you have problem with the book when compared with can satisfy your limited time to read it because this all time you only find reserve that need more time to be read. Adolescence and Emerging Adulthood (5th Edition) can be your answer as it can be read by anyone who have those short spare time problems.
