Editorial Review

Review

"A thorough and practical guide that will enable you to begin making music with others right away." --
Russell Ferrante, Founding member of Yellowjackets

"Teachers are invaluable, practicing by yourself is critical, but performing in a band is the most valuable experience of all." -- *Gary Burton, Executive Vice President, Berklee College of Music*

From the Publisher

This is the first-ever method that teaches you how to play in a rock band. Learn what all the great musicians seem to know intuitively how to listen, interact and respond, improvise, and become part of the groove. The book and play-along CD will help improve your timing, technique, and reading ability. Become the great drummer that everyone wants to have in their band.

Lessons throughout this book guide you through basic rhythms, beats, and subdivisions. Daily practice routines are designed for practicing by yourself or with other musicians. The accompanying CD features outstanding Berklee players and covers a variety of styles including rock, funk, jazz, blues, swing, and bossa nova.

Topics include:

- learning by ear
- theory and technique
- rhythmic interpretation
- improvisation
- comping
- reading
- song form
- interpreting lead sheets

This series coordinates methods for many different instruments, and all are based on the same tunes, in the same keys. If you know a guitarist, drummer, keyboardist, vocalist, horn player, etc., have them pick up the Berklee Practice Method for their own instrument, and jam together!
