Germany: The Third Reich 1933-45 (Access to History) By Geoff Layton

The third edition of this best-selling title has been revised to reflect the needs of the current specifications. The title charts the emergence of Nazism to Hitler's consolidation of power in 1933-4. It analyses the economic and foreign policies of the Third Reich as well as providing an in-depth look at the Nazi system and how that impacted on various social and cultural groups. The issue of support and opposition to the regime is examined and the appeal of Nazism discussed. The book concludes by assessing the legacy of the Third Reich and how different historical interpretations of this period have developed over time. Throughout the book, key dates, terms and issues are highlighted, and historical interpretations of key debates are outlined. Summary diagrams are included to consolidate knowledge and understanding of the period, and exam-style questions and tips for each examination board provide the opportunity to develop exam skills.
