### Jericho By Ann McMan

Librarian Syd Murphy flees the carnage of a failed marriage by accepting an eighteen-month position in Jericho—a small town in the Appalachian Mountains of Virginia. Her plans to hide out and heal her wounds fall by the wayside as she gets drawn into the daily lives of the quirky locals. She becomes fast friends with Maddie Stevenson, the enigmatic physician who has returned to the backcountry community to take over her late father's medical practice. Together they learn that life and love can have as many twists and turns as a country road.

### Editorial Review

About the Author

**Ann McMan** was born in the mountains of Pennsylvania, but spent much of her childhood below sea level in northern Delaware. She now lives halfway between the mountains and the sea in central North Carolina, but dreams of one day relocating to Vermont—where the colder climate might help her keep better.

### Users Review

**From reader reviews:**

**Christopher Helland:**

As people who live in often the modest era should be revise about what going on or data even knowledge to make these individuals keep up with the era which can be always change and advance. Some of you maybe will probably update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know which one you should start with. This Jericho is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

**Tracy Caudle:**

Do you have something that you want such as book? The guide lovers usually prefer to decide on book like comic, small story and the biggest you are novel. Now, why not seeking Jericho that give your enjoyment preference will be satisfied by simply reading this book. Reading behavior all over the world can be said as the opportunity for people to know world much better then how they react toward the world. It can't be claimed constantly that reading routine only for the geeky individual but for all of you who wants to always be success person. So , for all you who want to start examining as your good habit, you are able to pick Jericho become your own starter.

**Clarence Jenkins:**

Your reading sixth sense will not betray anyone, why because this Jericho guide written by well-known writer who really knows well how to make book that may be understand by anyone who else read the book. Written inside good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still doubt Jericho as good book not only by the cover but also from the content. This is one publication that can break don't ascertain book by its cover, so do you still needing one more sixth sense to pick that!? Oh come on your reading sixth sense already told you so why you have to listening to one more sixth sense.

**Elizabeth Ramsey:**

Do you like reading a guide? Confuse to looking for your chosen book? Or your book was rare? Why so

many query for the book? But any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but in addition novel and Jericho or maybe others sources were given expertise for you. After you know how the truly amazing a book, you feel need to read more and more. Science publication was created for teacher as well as students especially. Those books are helping them to include their knowledge. In various other case, beside science reserve, any other book likes Jericho to make your spare time considerably more colorful. Many types of book like this.
