Sex and the City By Bushnell Candace

Bushnell, a columnist and social critic, trips on her Manolo Blahnik kitten heels on a drunken cocktail trail through New York, from the Baby Doll Lounge to the Bowery Bar. On her travels, she assembles a cast of freaks, wonders, wannabes and gossip-peddlers.

Editorial Review

Amazon.com Review

The "Sex and the City" columnist for the *New York Observer* documents the social scene of modern-day Manhattan. The reader gets an introduction to "Modelizers," the men who only have eyes for models, as well as a more common species, the "Toxic Bachelor." Reading like a society novel gone downtown and askew, **Sex and the City** is a comically sordid look at status and ambition and the many characters consumed by the sexual politics of the '90s.

From Publishers Weekly

"We're leading sensory saturated lives," announces jetsetting photographer and playboy Peter Beard in a roundtable discussion of menages a trois, setting the tone of opulent debasement that suffuses this collection of Bushnell's punchy, archly knowing and sharply observed sex columns from the *New York Observer*. Prowling the modish clubs, party circuit and weekend getaways of rich and trendy New York society (most of whose denizens are identified by pseudonyms), Bushnell offers a brash, radically unromantic perspective. She visits a sex club and dates a Bicycle Boy ("the literary romantic subspecies" whose patron saints are George Plimpton and Murray Kempton). But in most chapters she keeps to the sidelines, deploying instead her alter-ego Carrie (like the author, a blonde writer from Connecticut in her mid-30s), whose sweet if feckless romance with Mr. Big—a nondescript power player—serves as a foil for the hilarious, unsentimentalized misadventures of her peers. These include model-chasers like Barkley, 25, a painter with the face of a Botticelli angel whose parents pay for his SoHo junior loft, and Tom Peri, the "emotional Mayflower," who ferries newly dumped women to higher emotional ground and is then invariably dumped. The effect is that of an Armistead Maupin-like canvas tinged with a liberal smattering of Judith Krantz. Collected in one volume, Bushnell's characters grow generic, but in small doses these essays are brain candy that will appeal equally to urban romantics and anti-romantics.

From Library Journal

Bushnell extracts some gems from her "Sex and the City" column in the *New York Observer*, which has a devoted following. But will it play in Peoria?

From reader reviews:

Gail Beattie:

Why don't make it to be your habit? Right now, try to prepare your time to do the important action, like looking for your favorite reserve and reading a reserve. Beside you can solve your long lasting problem; you can add your knowledge by the guide entitled Sex and the City. Try to stumble through book Sex and the City as your good friend. It means that it can to get your friend when you feel alone and beside those of course make you smarter than in the past. Yeah, it is very fortunated for you personally. The book makes you far more confidence because you can know almost everything by the book. So , let me make new experience as well as knowledge with this book.

Darron Hiller:

In other case, little men and women like to read book Sex and the City. You can choose the best book if you want reading a book. As long as we know about how is important a new book Sex and the City. You can add information and of course you can around the world by way of a book. Absolutely right, because from book you can recognize everything! From your country until foreign or abroad you will end up known. About simple thing until wonderful thing it is possible to know that. In this era, you can open a book or searching by internet system. It is called e-book. You can utilize it when you feel bored to go to the library. Let's study.

Antonio Mock:

In this period globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of references to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher this print many kinds of book. Typically the book that recommended to you personally is Sex and the City this guide consist a lot of the information in the condition of this world now. This specific book was represented how can the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. Often the writer made some exploration when he makes this book. This is why this book ideal all of you.

Christopher Suttle:

Do you like reading a book? Confuse to looking for your preferred book? Or your book has been rare? Why so many query for the book? But almost any people feel that they enjoy to get reading. Some people likes looking at, not only science book but in addition novel and Sex and the City as well as others sources were given understanding for you. After you know how the fantastic a book, you feel desire to read more and more. Science guide was created for teacher as well as students especially. Those publications are helping them to add their knowledge. In other case, beside science publication, any other book likes Sex and the City to make your spare time more colorful. Many types of book like this.
