The Godfather: The Lost Years By Mark Winegardner

The Godfather: The Lost Years takes place in the years 1955-65, but it is built upon the story of that 'year of delicate political manoeuvring' - and how, in winning the battle of that year, Michael Corleone set the stage to lose the war: the war to make the Family legitimate, the war to keep the Corleones supremely in power, the war to stay true to his father's wishes, the war to give not just his Family but his family a safe and happy life. The Godfather: The Lost Years is not just a sequel. A magnificent novel in its own right, by an acclaimed young American novelist, it traces: the nexus of ambitious, audacious decisions that Michael Corleone implements, their ultimate failure, and, after the Family's literal and figurative years in the wilderness (of Las Vegas), Michael's literal, physical return to New York, and his attempts to regain control there.

Editorial Review

Review

"He (Winegardner) has done an excellent job and, though he is standing on the shoulders of a giant, The Lost Years is in some respects an improvement on its model" The Telegraph "The Godfather Returns is not only a real book by a real writer. It's also a real pleasure, a fine, swirling epic - bitter, touching, funny and true ... Winegardner has not squandered his inheritance" New York Times Book Review "The measure of his success is quickly apparent ... he brilliantly recreates the vivid, pungent prose style of Puzo's original" Daily Express

About the Author

Mark Winegardner is the author of two acclaimed novels: The Veracruz Blues and Crooked River Burning.
