The Land Between: A History of Slovenia From Peter Lang GmbH,
Internationaler Verlag der Wissenschaften

This is a history of a space – a space between the Panonian plain in the East and the most northernmost bay in the Adriatic in the West, from the eastern Alps in the North and the Dinaridic mountain area in the South. It is also a history of all the different people who lived in this area. The authors show that the Slavs did not settle an empty space and simply replace the Celto-Roman inhabitants of earlier times; they are, on the contrary, presented as the result of reciprocal acculturation. The authors show that the Slovenes made more than two important appearances throughout the entire feudal era; the same holds for later periods, especially for the twentieth century. This book offers a concise and complete history of an area that finally became an integral part of Central Europe and the Balkans.

Editorial Review

Review

«A study which makes the reader feel and understand that since the end of the Cold War there is a new lease of life for Central Europe. The former borderlands between East and West construct their new identities. Slovenia is one of the most successful new democratic societies in the middle of Europe. This book is an excellent history of Slovenia which maps the narrative of a small European people without falling into the traps of national mythmaking. Writing about a small European country with two million inhabitants which crave for Central European, Mediterranean and Balkan traditions at the same time is no simple task. The book makes fine reading for everybody interested in understanding the fascinating and creative complexities in the heart of Europe. Highly recommendable for history lovers and historians alike!» (Emil Brix, historian and Director of the Politico-Cultural Section, Federal Ministry for European and International Affairs, Austria)

«‘The Land Between’ is the first concise history of Slovenia and Slovenes written in English by leading scholars from the country. The authors base their arguments on Slovenian, former Yugoslav and western sources and provide a comprehensive account of Slovenes’ political, social, economic and cultural history, from early Slav settlements to the present day. The authors focus on Slovenian history but, to their credit, manage to place it in a wider context of empires and states to which Slovenian lands had belonged throughout history. The book will be of use to students of Slovenia and East-Central Europe, to diplomats, journalists, tourists, and anyone interested in this part of the world. It represents a welcome addition to the historiography of Slovenia and former Yugoslavia as well as a unique insight into the state of scholarship in post-1991 Slovenia.» (Dejan Djokic, Lecturer in Modern and Contemporary History, Goldsmiths College, UK)

About the Author

Oto Luthar is Director of the Research Centre of the Slovenian Academy of Sciences and Arts and Professor of Cultural History at the University of Nova Gorica (Slovenia). He was Visiting Professor at Yale University and at Vienna University. His research focuses on cultural history of Central and South-Central Europe, history of historiography and history of ideas.

Users Review

From reader reviews:

John Tillery:

Nowadays reading books become more and more than want or need but also become a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The information you get based on what kind of guide you read, if you want have more knowledge just go with training books but if you want really feel happy read one together with theme for entertaining for example comic or novel. The particular The Land Between: A History of Slovenia is kind of book which is giving the reader unpredictable experience.

Tommy Cowen:

People live in this new moment of lifestyle always try to and must have the time or they will get wide range of stress from both lifestyle and work. So , when we ask do people have spare time, we will say absolutely indeed. People is human not really a huge robot. Then we request again, what kind of activity are there when the spare time coming to you of course your answer will certainly unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative in spending your spare time, often the book you have read is actually *The Land Between: A History of Slovenia*.

Ella Oxley:

In this period of time globalization it is important to someone to find information. The information will make professionals understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. The book that recommended to you is *The Land Between: A History of Slovenia* this guide consist a lot of the information of the condition of this world now. That book was represented how can the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. Often the writer made some analysis when he makes this book. That's why this book ideal all of you.

Brain West:

This *The Land Between: A History of Slovenia* is completely new way for you who has interest to look for some information because it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this *The Land Between: A History of Slovenia* can be the light food for you because the information inside this kind of book is easy to get by simply anyone. These books develop itself in the form that is certainly reachable by anyone, that's why I mean in the e-book form. People who think that in e-book form make them feel sleepy even dizzy this guide is the answer. So there is not any in reading a guide especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book variety for your better life along with knowledge.
