Editorial Review

From the Back Cover

The Message//REMIX is purely, simply God's Word in its most easily understood language. It isn't like any other student Bible you've ever seen.

Make this vital book part of everything you are. Read it, cover to cover. The//REMIX features verse-numbered paragraphs to help you study and think deeply about the text. Pray that as you read, God will open your eyes to the personal messages he has for you. Finally, live it out. The more time you spend in The Message, the more your life will never be the same.

About the Author

EUGENE H. PETERSON is a writer, poet, and retired pastor. He has authored more than thirty-four books (not including The Message). He is Professor Emeritus of Spiritual Theology at Regent College in Vancouver, British Columbia. Eugene also founded Christ Our King Presbyterian Church in Bel Air, Maryland, where he ministered for twenty-nine years. After teaching at a seminary, he created The Message, a vibrant Bible paraphrase that connects with today's readers like no other.

It took Peterson ten years to complete. He worked not from any English text but from the original Hebrew and Greek texts to guarantee authenticity. At the same time, his ear was always tuned to the cadence and energy of the English spoken every day on the streets. He lives with his wife, Jan, in Montana.

Users Review

From reader reviews:

Chad Brown:

Inside other case, little persons like to read book The Message//REMIX Paperback Wood: The Bible in Contemporary Language. You can choose the best book if you appreciate reading a book. As long as we know about how is important the book The Message//REMIX Paperback Wood: The Bible in Contemporary Language. You can add information and of course you can around the world by the book. Absolutely right, since from book you can learn everything! From your country till foreign or abroad you will find yourself known. About simple matter until wonderful thing you can know that. In this era, you can open a book as well as searching by internet device. It is called e-book. You can utilize it when you feel bored to go to the library. Let's examine.

Dale Vaught:
