Web of Spider-man #90 30th Anniversary Issue (Web of Spider-man Comic Book, 90 July) By Marvel Comics

The story begins with a prelude that has an older Shiffman in his office talking to a statue of Spider-Man. "We go back a long way, buddy!" South Bronx, New York, The sight of just about every hero in the city befallen at the hands of Galactus is shocking to say the least, but it's just the beginning of a crazy day for Spider-Man. Spider-Man battles Galactus next as the face of someone familiar begins to become more and more clearer to him. Spider-Man seems very confused and rightfully so as he later learns that Galactus and the heroes were movie props and actors. Green Goblin, Hobgoblin, and Demogoblin have teamed up and have their sights set on Spider-Man. Spider-Man knows that something is very wrong and now wants some answers after battling the Goblins. Maxie Shiffman seems to be the only thing that is real to Spider-Man and an explosion separates the two old friends. The mist throughout the issue is getting stronger and stronger ..Venom! After battling Venom, the symbiote bonds to the Galactus prop and becomes bonded with it. After Venom-Galactus picks up Mary Jane out of thin air and begins to put her in his mouth, Spider-Man realizes that he has had enough. Mysterio begins to make Spider-Man question what is real and what is not real in his life trying to confuse him greatly. More illusions take place with Mysterio transforming into Venom, but like always, the illusions do not work. Exclaiming "My life is real!" A touching moment occurs when Maxie Shiffman tries to hold on to his fading wife Trudy, but it's no use. Mysterio gave her back to him in the form of an illusion if he would help him. A 3-page gatefold poster of Spider-Man and Spider-Man 2099 is included in the issue as well as having a holographic centered cover that celebrates Spider-Man's 30th anniversary.
