### Editorial Review

#### Review

'Bigsby's epic study is readable, comprehensive and profound. It's not a beginner's guide, and plot summaries rapidly give way to in-depth discussion, with brief biographical links rounding off each chapter. Given the massive task, the evidence of haste in some of the writing is excusable. This book is clearly a must not only for Miller fans, but for anyone wanting to know about the post-war struggles of the engaged artist - committed both to accounting for his life, and bearing witness to history.' *The Independent*

'... wide-ranging, indispensable study ... an in-depth account of everything Miller has written, including the voluminous variants of his work, his private papers and worknotes to which Bigsby has had access ...'.  
*Jewish Chronicle*

'A text of extraordinary thoroughness and insight. (it) is likely to remain the most sustained and penetrating examination of Miller's work for a long time to come.' *Theatre History Studies*

'... comprehensive and very thorough.' *Contemporary Review*

'While there is no shortage of books about Arthur Miller out there, this new study by Christopher Bigsby is surely one of the best and most valuable to date.' *MLR*

#### About the Author

Christopher Bigsby is Professor of American Studies at the University of East Anglia.

### Users Review

#### From reader reviews:

#### Micheal McDonough:
