Editorial Review

Review

Learn How to Quickly Solve Difficult IB Test Questions

Here's a little "secret" about the IB Diploma Programme Examination: the IB tests are what we in the test preparation field call "content driven" tests.

While some tests are looking to see what you are ABLE to learn, the purpose of the International Baccalaureate Diploma Programme Examination, offered by the International Baccalaureate (IB), are to test your understanding of what you have already learned. The goal of the IB tests are to use a standardized testing process to create an objective assessment of a test taker's knowledge and skills.

In other words, it's more about **what you know** than your ability to solve clever puzzles. This is good news for those who are serious about being prepared, because it boils down to a very simple strategy:

You can succeed on the IB examinations by learning critical concepts on the test so that you are prepared for as many questions as possible.

Repetition and thorough preparation is a process that rewards those who are serious about being prepared, which means that succeeding on the IB test is within the reach of virtually anyone interested in learning the material.

This is great news! It means that if you've been worried about your upcoming IB test, you can rest easy IF you have a good strategy for knowing what to study and how to effectively use repetition to your advantage.

But it also creates another set of problems.

If you tried to memorize every single possible thing you can for your IB test, the field of possible things to review would be so huge that you could not hope to cover everything in a reasonable time.

That's why we created the *IB Examination Flashcard Study System*: we have taken all of the possible topics and reduced them down to the **hundreds of concepts you must know** and provided an easy-to-use learning method to guarantee success on your IB test.

We wanted this system to be simple, effective, and fast so that you can succeed on your IB test with a minimum amount of time spent preparing for it. --

Here Are Some of the Features of Our *IB Examination Flashcard Study System*

- Study after study has shown that repetition is the most effective form of learning- and nothing beats flashcards when it comes to making repetitive learning fun and fast
- Flashcards engage more of your senses in the learning process- you "compete" with yourself to see if you know the answers to the questions, and the flipping action gets you actively involved in the learning process

- Our cards are printed on heavy, bright white 67 lb. cover stock, and are laser printed at 1200 dpi on our industrial printers- these are professional-quality cards that will not smear or wear out with heavy usage
- We cover the major content areas on the exam
- Our flashcards include an edge that is micro-perforated, which means that you are much less likely to have a painful papercut on your fingers when moving quickly through the cards
- Our cards are portable, making it easy for you to grab a few and study while waiting for the bus or the doctor, or anywhere where you have a spare moment that would otherwise be wasted
- Our IB test cards are written in an easy to understand, straightforward style - we don't include any more technical jargon than what you need to pass the test
- The cards are a generous size- 3.67 x 4.25 inches- they fit perfectly in your hands and they aren't so small that you have to use a magnifying glass to read tiny type- all questions and answers are in a normal-size print for easy studying
- Our cards include in-depth explanations- you won't see any "one word" answers on our cards that require you to go get a textbook to understand why your answer was wrong- all of our cards include generous, thorough explanations so you not only get it right or wrong- but you also know why!
- We use a font created by Microsoft to make reading easier- this will enable you to absorb more information painlessly during late night study sessions
- Our system enables you to study in small, digestible bits of information- unlike using boring textbooks, flashcards turn learning into a "game" you can play until you've mastered the material
- It's easy for a friend to help you study- they don't even have to know anything about the IB test- if they can read, then they can quiz you with our flashcards.

Now, let us explain what the ***IB Examination Flashcard Study System*** is not. It is not a comprehensive review of your education, as there's no way we could fit that onto a single set of flashcards.

Don't get us wrong: we're not saying that memorization alone will automatically result in a passing IB test score- you have to have the ability to apply it as well. However, without the foundation of the core concepts, you cannot possibly hope to apply the information. After all, you can't apply what you don't know.

IB Examination Flashcard Study System is a compilation of the **hundreds of critical concepts you must understand to pass the IB test**. Nothing more, nothing less. --

If you think there's even the smallest chance that these flashcards will help you, you owe it to yourself to try them out. Don't let fear or doubt stand in the way of your opportunity to achieve the test score you need to fulfill your dreams.

Users Review

From reader reviews:

Edna Kopec:

Reading a guide can be one of a lot of pastime that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new facts. When you read a book you will get new information simply because book is one of a number of ways to share the information or even their idea. Second, studying a book will make an individual more imaginative. When you reading through a book especially fictional book the author will bring you to imagine the story how the character types do it anything. Third, you are able to share your knowledge to some others. When you read this IB Mathematics (SL) Examination Flashcard Study System: IB Test Practice Questions & Review for the International Baccalaureate Diploma Programme (Cards), you could tells your family, friends along with soon about yours publication. Your knowledge can inspire different ones, make them

reading a e-book.

Gussie Steller:

Don't be worry for anyone who is afraid that this book can filled the space in your house, you will get it in e-book approach, more simple and reachable. This IB Mathematics (SL) Examination Flashcard Study System: IB Test Practice Questions & Review for the International Baccalaureate Diploma Programme (Cards) can give you a lot of good friends because by you investigating this one book you have issue that they don't and make you actually more like an interesting person. This book can be one of a step for you to get success. This book offer you information that possibly your friend doesn't understand, by knowing more than different make you to be great individuals. So , why hesitate? Let us have IB Mathematics (SL) Examination Flashcard Study System: IB Test Practice Questions & Review for the International Baccalaureate Diploma Programme (Cards).

Randall Rearick:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many query for the book? But just about any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but in addition novel and IB Mathematics (SL) Examination Flashcard Study System: IB Test Practice Questions & Review for the International Baccalaureate Diploma Programme (Cards) or others sources were given information for you. After you know how the fantastic a book, you feel want to read more and more. Science book was created for teacher or perhaps students especially. Those publications are helping them to add their knowledge. In other case, beside science reserve, any other book likes IB Mathematics (SL) Examination Flashcard Study System: IB Test Practice Questions & Review for the International Baccalaureate Diploma Programme (Cards) to make your spare time much more colorful. Many types of book like this one.

Robin Norfleet:

A lot of reserve has printed but it differs. You can get it by internet on social media. You can choose the very best book for you, science, comedian, novel, or whatever by simply searching from it. It is identified as of book IB Mathematics (SL) Examination Flashcard Study System: IB Test Practice Questions & Review for the International Baccalaureate Diploma Programme (Cards). You can include your knowledge by it. Without making the printed book, it may add your knowledge and make an individual happier to read. It is most important that, you must aware about book. It can bring you from one destination for a other place.
