Precalculus, Books a la Carte Edition (10th Edition) By Michael Sullivan

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Prepare. Practice. Review.

Mike Sullivan's time-tested approach focuses students on the fundamental skills they need for the course: *preparing* for class, *practicing* with homework, and *reviewing* the concepts. The **Tenth Edition** has evolved to meet today's course needs.
