The Honourable Schoolboy By John le Carré

From the *New York Times* bestselling author of *Tinker, Tailor, Soldier, Spy*; *Our Kind of Traitor*; and *The Night Manager*, now a television series starring Tom Hiddleston. John le Carré's new novel, *A Legacy of Spies*, will be available from Viking in Fall 2017.

As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose.

The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold.

Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned Karla trilogy and a riveting portrayal of postcolonial espionage.

With an introduction by the author.

Editorial Review

Review

“Not a page of this book is without intelligence and grace.”—*The New York Times*

“Energy, compassion, rich and overwhelming sweep of character and action...one of the finest English novels of the seventies.”—*The Times* (UK)

“All the good things are there: the Balkan complexities of plot; the Dickensian profusion of idiosyncratic characters; and above all, le Carré’s glistening social observation.”—*Time*

From the Inside Flap

Tinker, Tailor, Soldier, Spy -- John le Carre's last tremendous success-ended with the devastating unmasking of a double agent at the heart of the British Secret Service (known as the Circus to le Carre's millions of readers round the world). Now, in *The Honourable Schoolboy*, George Smiley -- who has assumed the unenviable job of restoring the health, and reputation, of his demoralized organisation -- goes over to the attack. Salvaging what he can of the Service's ravaged network of spies, summoning back a few trustworthy old colleagues, working them -- and himself-around the clock, he searches for a whisper, a hint, a clue that will lead him back to his opposite number: Karla, the Soviet officer in Moscow Centre who masterminded the infamous treachery.

When he finds his opening, Smiley moves without hesitation. His battleground: the Far East. His choice of weapons: the Honourable Gerald (Jerry) Westerby, an Old Asia Hand, veteran of several marriages (and wars), unquestioning in his readiness to answer Smiley's summons. "You point me and I'll march," says Jerry.

Jerry's odyssey begins: to Hong Kong-and blackmail and murder; to collapsing Cambodia and Vietnam-and drug traffickers, the CIA, and a huge and mystifying "gold seam" spilling out of Russia. Slowly, manipulated by Smiley and his cohorts back in the Circus, Jerry thrusts himself into the centre of an intrigue of money, defection, passion -- and finds not only fertile ground for Smiley's revenge, but a drama of loyalty and love that both tests his courage and spurs his belated coming of age, in tragic defiance of the voracious requirements of the trice which owns his allegiance.

Here is John le Carre's richest, most accomplished work. Suspense, excitement, the techniques of espionage as only he has been able to make them real for us -- together with a Towing capacity for sustained action, a grandly conceived and intricately drawn plot, and profound observation of the Far Eastern landscape. *The Honourable Schoolboy* is both a supreme entertainment and a major novel.

Users Review

From reader reviews:

Odessa Currie:

Book is to be different for each and every grade. Book for children till adult are different content. We all know that that book is very important normally. The book The Honourable Schoolboy had been making you to know about other know-how and of course you can take more information. It is quite advantages for you. The e-book The Honourable Schoolboy is not only giving you more new information but also for being your friend when you really feel bored. You can spend your own personal spend time to read your publication. Try to make relationship with all the book The Honourable Schoolboy. You never really feel lose out for everything if you read some books.

Zola Campbell:

Nowadays reading books become more and more than want or need but also work as a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The info you get based on what kind of reserve you read, if you want drive more knowledge just go with education books but if you want experience happy read one with theme for entertaining for example comic or novel. Typically the The Honourable Schoolboy is kind of reserve which is giving the reader unforeseen experience.

Herb Baker:

Playing with family within a park, coming to see the marine world or hanging out with buddies is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love The Honourable Schoolboy, you can enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh occur its mind hangout guys. What? Still don't buy it, oh come on its named reading friends.

Glenn Connelly:

Many people spending their time by playing outside with friends, fun activity along with family or just watching TV the entire day. You can have new activity to shell out your whole day by looking at a book. Ugh, you think reading a book really can hard because you have to bring the book everywhere? It fine you can have the e-book, taking everywhere you want in your Smart phone. Like The Honourable Schoolboy which is obtaining the e-book version. So , why not try out this book? Let's observe.
