The Senator's Wife By Karen Robards

A public scandal. A private torment. A love that changed everything--

Ronnie Honneker is the senator's wife. When she fell for the dashing politician, the stars in her eyes kept her from seeing his flaws. And when she discovered his constant need for other women, it was already too late. Now all the glamour of politics can't make up for Ronnie's loneliness--or her husband's affairs. Especially the one that explodes into a media sex scandal.

Pursued by reporters, Ronnie reluctantly lets handsome political strategist Tom Quinlan clean up the mess. She agrees to publicly stand by her man until after the next election. Privately, she is in turmoil, and falling passionately in love--with Tom. As Ronnie and Tom seek shelter in each other, suddenly the unexpected happens. The senator's violent death thrusts Ronnie into the spotlight--as the leading suspect in his murder. Now only one thing can prove Ronnie's innocence: the whole shocking truth....

Editorial Review

Amazon.com Review

Ronnie likes the *idea* of being Senator Lewis Honneker's wife a whole lot more than she actually likes being married to him. She loves the power, the prestige, and of course the wealth and all of the comforts and beautiful things that he provides. But Ronnie is acutely lonely. Her husband is not the man she thought he was, and although long accustomed to it, Ronnie despises the strain of the campaign trail--especially the constant facade and total lack of privacy.

If those problems weren't enough, Lewis's voters despise Ronnie. As the younger, sexy, second wife, the senator's loyal constituency think that Ronnie broke up his first marriage. Because Lewis is up for reelection, expert political consultant Tom Quinlan is brought in to change Ronnie's image. He finds the task to be far more of a challenge than he expected--not only because Ronnie is difficult to direct, but also because the two can't keep their hands off each other. When the senator is found murdered and Ronnie is accused of the crime, only Tom believes she is innocent. The two work together to uncover the senator's sordid secrets.

From Library Journal

Elizabeth Perkins is young, beautiful, and Missouri Senator Howard Perkins's second wife. Her stepchildren are older than she is, and they don't like her. Neither do the voters, a fact that is hurting her husband's reelection campaign. Enter political strategist James Garth. His plan to make Elizabeth more appealing to voters (wear a "quieter" wardrobe, adopt a puppy from the pound) is a success, helped, ironically, by news reports of her husband's infidelities. Falling in love with his client was not part of Garth's plan, and word of their affair has repercussions neither dreamed of when the senator is found dead under very suspicious circumstances. An exciting and sometimes humorous plot, interesting characters, and a hot romance combine to make this a delightful story. Readers who enjoyed Robards's last romantic adventure (*Heartbreakers*, Delacorte, 1997) or the romance and political intrigue of Sandra Brown's *Exclusive* (Warner, 1996) will love this.

From Kirkus Reviews

A disappointing mystery-romancethe basic ingredients are all there, but they never gelfrom the prolific Robards (*Heartbreaker*, 1997, etc.). Veronica Honneker is the ``gorgeous second wife" (GSW) of multimillionaire Mississippi lawmaker Lewis Honneker IV, and just a little more than half his age. She's a redhead with a body to ``stop traffic," usually to be seen with a lot of real diamonds resting tastefully about her firm neck; and she is, to boot, the jezebel the senator married when he divorced his older and much admired first wife, whose neck and thighs offered no competition. The voters, though, can't stand Ronnie; in the polls she's the senator's biggest negative. And as ``His Honor" runs for reelection, it's Tom Quinlan's job to turn her into a very nice, nonthreatening spouse that soccer moms will warm to. What Tom doesn't expect are the romance-novel sparks that ignite when the two of them are together. And he hasn't counted on Ronnie's being a poor-little-rich-girl whose husband can't keep his pants zipped. Appearances aside, His Honor hasn't been faithful to his trophy wife since he married her, and Ronnie hasn't shared his bed for a year. She thought she wanted money, clothes, and celebrity, having suffered through a troubled childhood, but none of those, she discovers, make any sense withoutyes, love. Ronnie is just about to ask for a divorce in order to marry Tom (a hunky divorced dad) when someone murders the senator. With motive, means, and lousy reputation, Ronnie is the prime suspect. Just as she's about to be arrested, however, a spirited ex-prostitute seeks her out with information about the killer's identity. Together, the two women eventually

dispose of the culprit and are able to claim their men. A dull effort from Robards, with some of her trademark steamy sex but few thrills and not much mystery or humor. -- *Copyright ©1998, Kirkus Associates, LP. All rights reserved.*

Users Review

From reader reviews:

Adam Allen:

Have you spare time for any day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity for spend your time. Any person spent their own spare time to take a walk, shopping, or went to typically the Mall. How about open or maybe read a book entitled *The Senator's Wife*? Maybe it is for being best activity for you. You recognize beside you can spend your time with the favorite's book, you can more intelligent than before.
