Consumer Protection Law (Markets and the Law) By Geraint Howells, Stephen Weatherill

This fully revised and updated second edition of Consumer Protection Law introduces the reader to the substantive law of consumer protection in the United Kingdom, the emphasis being on the place of United Kingdom law within an evolving European legal system and also on the need to draw upon comparative experience. The book not only seeks to place consumer protection in its purely black-letter context but also draws upon wider readings to show that consumer protection law is a complex area of law which reflects and shapes the individual citizen's position within the modern economy.
