For the first time, Star Wars(R) A Musical Journey (Music from Episodes I-VI): Instrumental Solos includes selections from all six Star Wars(R) movies arranged for flute, clarinet, alto sax, tenor sax, trumpet, horn in F, trombone, piano accompaniment, violin, viola and cello. The arrangements are completely compatible with each other and can be played together or as solos. Due to level considerations regarding keys and instrument ranges, the wind instrument arrangements are not compatible with the string instrument arrangements in this series. Each song on the CD includes a demo track, which features a live instrumental performance, followed by the play-along track itself. Also included is 4-color art as well as black and white art from the movies.
