Editorial Review

Review

"In brief, intimate readings, narrator Bernadette Dunne creates realistic characters with only slight shifts in tone. . . Dunne's voice shifts almost imperceptibly between description and dialogue, and the result is a resonating, unencumbered performance." --*AudioFile*

Praise for Ayn Rand:

"Ayn Rand is destined to rank in history as the outstanding novelist and most profound philosopher of the twentieth century." --*New York Daily Mirror*

About the Author

Born February 2, 1905, **Ayn Rand** published her first novel, *We the Living*, in 1936. *Anthem* followed in 1938. It was with the publication of *The Fountainhead* (1943) and *Atlas Shrugged* (1957) that she achieved her spectacular success. Rand's unique philosophy, Objectivism, has gained a worldwide audience. The fundamentals of her philosophy are put forth in three nonfiction books, *Introduction to Objectivist Epistemology*, *The Virtues of Selfishness*, and *Capitalism: The Unknown Ideal*. They are all available in Signet editions, as is the magnificent statement of her artistic credo, *The Romantic Manifesto*.

Only 12 years after arriving in the United State as a German immigrant with a slim understanding of English, Ayn Rand published THE FOUNTAINHEAD and carved out her legacy. This collection of unfinished and largely developmental short stories offers strong characters with integrity and purpose, and provides some insight into Rand's growth as a writer. In brief, intimate readings, narrator Bernadette Dunne creates realistic characters with only slight shifts in tone. Most of the stories are written in the first person, and Dunne demonstrates her ability to realize each character without theatrics. Dunne's voice shifts almost imperceptibly between description and dialogue, and the result is a resonating, unencumbered performance. L.B. © AudioFile 2010, Portland, Maine

Users Review

From reader reviews:

Nancy Adams:

Book is actually written, printed, or highlighted for everything. You can realize everything you want by a reserve. Book has a different type. To be sure that book is important issue to bring us around the world. Next to that you can your reading talent was fluently. A guide The Early Ayn Rand: Revised Edition: A Selection From Her Unpublished Fiction will make you to be smarter. You can feel more confidence if you can know about every thing. But some of you think that open or reading the book make you bored. It's not make you fun. Why they are often thought like that? Have you searching for best book or suited book with you?
