### *A marriage of misunderstanding*

Nothing could have prepared Rosie for Greek tycoon Constantine Voulos. He asked Rosie to marry him—well, he insisted: "You will go through a ceremony of marriage," he said, "and in return you will receive a big fat check and a divorce as soon as I can arrange it."

Rosie agreed to the clandestine wedding because of her late father's wishes, but was anguished that Constantine had got her all wrong. The longer she spent with him, the more she knew she just couldn't be his temporary wife. There was only one thing for it—her secret would have to be told!

##### **Oliver Lyle:**

As a student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Secret Wife (Harlequin Presents) can make you feel more interested to read.
