**Autumn Falls** By Bella Thorne

**New friends, new enemies . . . can a magical journal change Autumn's crazy life?**

With her fiery red hair, new-girl outsider status, and tendency to be a total klutz, Autumn Falls definitely isn't flying below the radar at Aventura High. Luckily, she makes some genuine friends who take her under their wing. But she also manages to get on the wrong side of the school's queen bee, and then finds out the guy she's started to like, funny and sweet Sean, hangs with the mean crowd. Now her rep and her potential love life are at stake.

When Autumn vents her feelings in a journal that belonged to her late father, suddenly her wildest wishes start coming true. Is it coincidence? Or can writing in the journal solve all her problems? And if the journal doesn't work that way, is there a bigger purpose for it—and for her?

Filled with personal elements from Bella's own life, AUTUMN FALLS is the first book in Bella Thorne's new series! It has everything readers will love and relate to: a real girl trying to find her own inner strength and be the best she can be, with a hint of magic and mystery, and a steady stream of OMG-I-can't-believe-that-just-happened fun.

### Editorial Review

From School Library Journal

Gr 7 Up—At the start of this realistic novel by the Disney Channel actress, Autumn Falls's father dies in a car accident. Already planning to move to Aventura, Florida to take care of Eddy, their grandmother, the grieving family settles in the quiet town. Switching to a new school gets even harder for Autumn, when on her first day at Aventura High, her brother runs his skycam into her, which leaves a giant bump on her forehead. Someone takes a photo and posts it on the student portal. Not long after that, her lock is switched on her locker and she can't open it. The pranks continue to make her adjustment period difficult. Autumn begins to write in a journal that Eddy gave her, and magical things occur. Every time the protagonist writes "I wish" in her journal, she receives her wish, just not always how she expects it. A feel-good book with believable and well-developed characters and an evenly paced plot. Teens will appreciate how Autumn learns to be true to herself in this interesting twist on wish-fulfillment. Its discussion of bullying, death, friendship, and family makes it a timely and resonant read.—Jesten Ray, Seattle Public Library, WA
