Disneyland's Hidden Mickeys: A Field Guide to Disneyland Resort's Best Kept Secrets By Steven M. Barrett

Camouflaged images of Mickey Mouse are concealed all around the Disneyland Resort—in the theme parks, hotels, shops, restaurants, and even a parking structure. Author Steve Barrett (aka Hidden Mickey Guy) adds to the fun of finding them by turning the search for these “hidden Mickeys” into three scavenger hunts, complete with clues, hints, and points to be scored. There's a hunt for Disneyland Park, one for Disney California Adventure, and one for all the rest—Downtown Disney District, the three resort hotels, and Mickey and Friends parking structure. Steve has combed every inch of the resort, including Cars Land, to bring this new fourth edition up to date. The result: scores of new hidden Mickey sightings, for a total of over 450. The guide lets you scavenger hunt for them by following the “clues” in each hunt. Or you can find Mickey without following a scavenger hunt by consulting the “Index to Mickey's Hiding Places” in the back of the book. Having trouble spotting him? You'll find complete descriptions of every hidden Mickey in the book in the “hints” sections of each scavenger hunt. Compete with family and friends to see who can spot the most hidden Mickeys. Or simply enjoy finding these clever hidden images on your own, wherever you find yourself in Mickey's magical California realm.
