Faithless: A Novel (Grant County) By Karin Slaughter

New York Times bestseller Karin Slaughter brings back her two most fascinating and complex characters—medical examiner Sara Linton and her ex-husband, police chief Jeffrey Tolliver—in a heart-pounding tale of faith, doubt, and murder...

The victim was buried alive in the Georgia woods—then killed in a horrifying fashion. When Sara Linton and Jeffrey Tolliver stumble upon the body, both become consumed with finding out who killed the pretty young woman. For them, a harrowing journey begins, one that will test their own turbulent relationship and draw dozens of lives into the case.

For as Jeffrey and Sara move further down a trail of shocking surprises and hidden passions, neither is prepared for the most stunning discovery of all: the identity of a killer who is more evil and dangerous than anyone could have guessed.

Editorial Review

From Publishers Weekly

Georgia medical examiner Sara Linton returns in Slaughter's Grant County crime thriller series (*Indelible*), and this time she's hot on the trail of a demented killer who buries teenage girls alive. Out in the woods chatting about past infidelities, Sara and ex-husband/lover Jeffrey discover a young girl buried in a grotesque coffin, dead despite a breathing pipe extending to the surface. The victim is soon identified as Abigail Bennett, a member of the Holy Grown soybean farming collective, a group curiously unfazed to learn a daughter was poisoned. Suspicion blooms around Holy Grown's many farmhands, mostly ex-felons on work release, but then centers on the parishioners who congregate at the Church for the Greater Good, a local congregation run by a shifty minister. Another shallow grave, physical violence and another girl's disappearance lead Sara, Jeffrey and assisting detective Lena Adams back to the Bible-thumpers and their unholy dealings. Issues of abortion, domestic abuse and forgiveness afford these recurring female characters three-dimensional humanity, nicely offsetting Slaughter's patented grim forensic detailing. Slaughter's fifth Grant County case offers tough love, suspenseful spadework and life-affirming vigor.

Slaughter's dark, forensic-driven Grant County series of crime novels has always drawn a thin line between the members of the law-enforcement team and the victims of the crimes being investigated. The title of the fifth entry in the series reflects both the marital difficulties of coroner Sara Linton and her ex-husband, police chief Jeffrey Tolliver, and the label affixed to certain willful members of a religious cult. Jeffrey makes a grisly discovery in the woods when he stumbles over a metal pipe. A young woman was buried alive in a wooden crate for several days and appears to have died of asphyxiation. But Sara's autopsy reveals a far different scenario. Jeffrey and officer Lena Adams' investigation leads to a farm owned by the Church of the Greater Good, which appears to have used burial as a form of punishment before. Meanwhile, Lena finds her own sick relationship with an abusive lover mirrored in the marriage of a former cult member who has damning information but is too afraid to disclose it for fear of provoking another vicious beating from her husband. Slaughter cannily incorporates any number of women's issues--from the difficult work of rebuilding a ruined relationship to finally figuring out when to call it quits--within a compulsively readable narrative. *Joanne Wilkinson*

Review

"Georgia medical examiner Sara Linton returns in Slaughter's Grant County crime thriller series, and this time she's hot on the trail of a demented killer who buries teenage girls alive.... Slaughter's fifth Grant County case offers tough love, suspenseful spadework and life-affirming vigor."—*Publishers Weekly*

"**Faithless**, Karin Slaughter's fifth novel, confirms her at the summit of the school of writers specialising in forensic medicine and terror, a field which includes Patricia Cornwell and Kathy Reichs.... Slaughter's characters talk in believable dialogue, She's excellent at portraying the undertones and claustrophobia of communities where everyone knows everyone else's business, and even better at creating an atmosphere of lurking evil."—*The Times* (London)

"[Karin Slaughter is] one of the best crime novelists in America.... Her novels smolder with reality."—*Washington Post*

"The pleasure of Slaughter's Grant County series—this is the fifth installment—rests in how the characters deal simultaneously with their messy personal lives and some fairly horrific crimes."—*San Francisco Chronicle*

"Slaughter has jumped to the front of the line of first-rate thriller writers."—*Rocky Mountain News*

"Impossible to put down."—*Orlando Sentinel*

"A new synonym for terror."—*Detroit Free Press*
