## **Editorial Review**

### Amazon.com Review

*Franchising for Dummies*, by Michael Seid and Dave Thomas, details everything you need to know about this ever-popular route to self-employment. In typical Dummies fashion, it outlines the basics (from initial research through signing on the dotted line); development procedures (such as training employees, choosing locations, and buying goods); running the business (attracting customers, managing staff, dealing with franchisors); and moving on (considering further acquisitions, franchising your own ideas). Seid, a well-known consultant with 20 years in the field, and Thomas, the high-profile founder of and low-key spokesman for the fast-food chain Wendy's International, make this volume especially valuable by including inside tips taken from their extensive personal experience. "Too often, franchisees make the mistake of hiring an attorney to do battle with their franchisor, rather than simply sitting down with the franchisor, discussing their concerns, and coming to a negotiated conclusion," Seid advises at one point. "Training is nonstop, never-ending. It has to be," Thomas suggests elsewhere. "It has to remain a priority in your business because, one, you have turnover, but two, you can always improve." The combination provides a clear and complete primer for enlightened decision-making on virtually all aspects of franchise purchase and operation. --*Howard Rothman*

### Review

...a must read for anyone interested in the fundamentals of franchising. Franchisees and franchisors alike owe a debt of gratitude... -- *James H. Amos, Jr., President and CEO, Mail Boxes, Etc.*

Dave Thomas -- a super guy, great business leader, generous individual. Thanks to Dave for sharing his wisdom through his book. -- *S. Truett Cathy, Founder & Chairman of Chick-fil-A, Inc.*
