Prison Writings: My Life Is My Sun Dance By Leonard Peltier

Edited by Harvey Arden, with an Introduction by Chief Arvol Looking Horse, and a Preface by former Attorney General Ramsey Clark.

In 1977, Leonard Peltier received a life sentence for the murder of two FBI agents. He has affirmed his innocence ever since--his case was made fully and famously in Peter Matthiessen's bestselling *In the Spirit of Crazy Horse*--and many remain convinced he was wrongly convicted. *Prison Writings* is a wise and unsettling book, both memoir and manifesto, chronicling his life in Leavenworth Prison in Kansas. Invoking the Sun Dance, in which pain leads one to a transcendent reality, Peltier explores his suffering and the insights it has borne him. He also locates his experience within the history of the American Indian peoples and their struggles to overcome the federal government's injustices.

Editorial Review

From [Booklist](#)

American Indian Movement (AIM) activist Peltier, arrested more than two decades ago on charges stemming from conflict with the FBI on the Pine Ridge Reservation in South Dakota, has become a symbol of the oppression of Indians and other indigenous people. Indeed, he is perhaps the most famous inmate in the U.S., regarded by many as a political prisoner, with Robert Redford, author Peter Mathiesson, former U.S. attorney general Ramsey Clark, and others calling for his release. He remains incarcerated, often in horrific conditions. As if engaged in the sun dance, in which apparently unendurable sufferings are embraced as a spiritual testimony, Peltier writes of his life, before and behind bars, with anger but not rancor. Since his youth as a warrior, he has become a spiritual elder whose words offer much to Indians and non-Indians alike. "We don't need more prisons," he writes. "We need more compassion. That compassion is our own highest possibility." His own simple, eloquent compassion for his captors as well as himself makes this a remarkable and moving book. *Patricia Monaghan*

From Kirkus Reviews

Part manifesto, part memoir, a standout collection by the celebrated, long-imprisoned American Indian Movement co-founder and activist. Peltier, a Sioux Indian, has been in federal prison since 1977, convicted of killing two FBI agents during the 1973 siege at Wounded Knee, S.D. Peltier asserts that he did not commit these murders, writing simply, Innocence has a single voice that can only say over and over, I didnt do it. Guilt has a thousand voices, all of them lies. (In his preface, former attorney general Ramsey Clark makes a compelling argument for why we should believe Peltier, a case also made by Peter Matthiessen in his much-litigated book *In the Spirit of Crazy Horse*). In this anthology, Peltier charts the course of his activism, describing his evolution from a young man on a South Dakota reservation who wanted what other young men in his circumstances wanted a car, a job to a political organizer keenly aware of the injustices visited past and present on Americas indigenous peoples. Although he too easily falls into sloganeering (We are the voices of the earth. We speak for those who are not yet born. When you exclude us, you exclude your own conscience. We are your conscience!), Peltier has much to say about American Indian politics, a dauntingly complex set of issues; among other things, he insists that the US government follow a Canadian model in offering reparations for historical wrongs. He also advances the plausible view that the siege at Wounded Knee was a sideshow meant to disguise a deal through which a uranium-rich portion of the Pine Ridge Sioux reservation was ceded to the federal government. Writing more personally, Peltier recounts the intricacies of living behind bars. As a houseguest in hell, he writes, you learn that the devil has many mansions, and you keep shuttling between them for no known reason. An important contribution to Native American letters, sure to stir both controversy and renewed attention for Peltiers ongoing quest for freedom. -- *Copyright ©1999, Kirkus Associates, LP. From the Publisher

"Listen to this fresh, brave voice, then inform yourself about the shameful case of Leonard Peltier." --Peter Matthiessen, author of *In the Spirit of Crazy Horse*

"This book takes the reader on an emotional and spiritual journey as Leonard Peltier's surprisingly hopeful reflections make the terrible injustice of his imprisonment for 24 years even more difficult to accept. Peltier's important journal details his trial and conviction which was based in part on admittedly false testimony and evidence so inconclusive that reasonable people everywhere have concluded that he should be granted clemency." - Wilma Mankiller, former chief of the Cherokee Nation, and author of *Mankiller*

"Leonard Peltier's words reveal a wise man who has become freer than his captors, despite his false imprisonment for a crime he did not commit. His thoughts here remind us of our true mission as Indian people, as human beings here on this humble, beautiful planet. These thoughts cannot be captured or locked behind bars, or destroyed by gunfire. They fly free." - Joy Harjo, Muskokee poet and musician, author of *The Woman Who Fell From the Sky*

"For too long, both Leonard's supporters and detractors have seen him as a metaphor, as a public figure worthy of political rallies and bumper stickers, but very rarely as a private man who only wants to go home. I pray this book will bring Leonard home." --Sherman Alexie, author of *Indian Killer*

"A deeply moving and very disturbing story of a gross miscarriage of justice and an eloquent cri de coeur of Native Americans for redress and to be regarded as human beings with inalienable rights guaranteed under the United States Constitution, like any other citizens. We pray that it does not fall on deaf ears. America owes it to herself." --Desmond M. Tutu, Archbishop Emeritus of Cape Town, South Africa, and Nobel Peace Laureate

"It would be inadequate to describe Leonard Peltier's *Prison Writings* as a classic of prison literature, although it is that. It is also a cry for help, an accusation against monstrous injustice, a beautiful expression of a man's soul, demanding release." --Howard Zinn, author of *A People's History of the United States*

"If you care about justice, read this brave book. If you care about the perpetuation of the white man's justice against the Native American, you must know the Leonard Peltier story." --Gerry Spence, author of *Give Me Liberty!*

Users Review

From reader reviews:

Barbara Hall:

Inside other case, little men and women like to read book *Prison Writings: My Life Is My Sun Dance*. You can choose the best book if you'd prefer reading a book. Given that we know about how is important some sort of book *Prison Writings: My Life Is My Sun Dance*. You can add understanding and of course you can around the world by the book. Absolutely right, because from book you can know everything! From your country until finally foreign or abroad you will find yourself known. About simple point until wonderful thing it is possible to know that. In this era, we are able to open a book or perhaps searching by internet system. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's learn.

Delores Nault:

As people who live in often the modest era should be change about what going on or information even knowledge to make these people keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by looking at books. It is a good choice for yourself but the problems coming to anyone is you don't know which one you should start with. This *Prison Writings: My Life Is My Sun Dance* is our recommendation to help you keep up with the world. Why, because this book serves what you want and want in this era.

Betty McClanahan:

Reading a e-book tends to be new life style on this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or perhaps their experience. Not only the storyplot that share in the books. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some investigation before they write for their book. One of them is this Prison Writings: My Life Is My Sun Dance.

George Medrano:

As we know that book is very important thing to add our information for everything. By a book we can know everything we wish. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This book Prison Writings: My Life Is My Sun Dance was filled about science. Spend your free time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading a book. If you know how big advantage of a book, you can experience enjoy to read a e-book. In the modern era like currently, many ways to get book which you wanted.
