Recognition, Responsibility, and Rights: Feminist Ethics and Social Theory (Feminist Constructions) From Brand: Rowman Littlefield Publishers

In the words of Catharine MacKinnon, "a woman is not yet a name for a way of being human." In other words, women are still excluded, as authors and agents, from identifying what it is to be human and what therefore violates the dignity and integrity of humans. *Recognition, Responsibility, and Rights* is written in response to that failure. This collection of essays by prominent feminist thinkers advances the positive feminist project of remapping the moral landscape by developing theory that acknowledges the diversity of women.

This book is the first volume in a new series of edited collections showcasing the best new work in feminist theory that has emerged from the group Feminist Ethics and Social Theory (FEAST). FEAST advances the goal of a feminist ethico-politics by creating an organization and a body of work in which feminist ethicists and feminist social theorists join forces to produce a politically effective feminist ethics. In this first volume, essayists address that goal by analyzing gender with respect to three key ethical concepts: recognition, responsibility, and rights.

Editorial Review

Review

Recognition, Responsibility, and Rights is an important collection of essays carrying forward the reconceptualizations of body, gender, human rights, globalization, and much else that feminist analyses have initiated. Many of the contributors are among the best doing this work. (Virginia Held, City University of New York)

This collection is welcome. It offers an update on old chestnuts (e.g., subjectivity/politics), several vignettes of powerful feminist concepts being productively applied (e.g., relational autonomy), and a glimpse of exciting new feminist explorations (e.g., voice and global positioning). Like all good feminist philosophy, it offers a rich dialectic of conceptual revision and attention to particularity. And it demonstrates feminism's resilience and honest self-scrutiny. A great group of essays on current developments in feminist theory, politics, and ethics. (*Philosophy in Review*)

In addition to the considerable virtues of the individual essays, the volume as a whole is a demonstration and celebration of the maturity of feminist ethics, as shown both in the engagement of newer scholars in the field with the work of more established colleagues (many of whom are also represented here), and in the diverse engagements between theory and practice that help to move feminist ethics from the critical margins to the center. (Naomi Scheman, professor of philosophy and women's studies, University of Minnesota)

About the Author

Robin N. Fiore is assistant professor of philosophy at Florida Atlantic University in Boca Raton, Florida and is associate faculty in the Comparative Studies Ph.D. Program for Public Intellectuals and in Women Studies. **Hilde Lindemann Nelson** is associate professor in the Philosophy Department at Michigan State University.

Users Review

From reader reviews:

Stephanie Gilley:

As people who live in typically the modest era should be update about what going on or info even knowledge to make them keep up with the era which can be always change and make progress. Some of you maybe can update themselves by studying books. It is a good choice to suit your needs but the problems coming to you is you don't know which you should start with. This Recognition, Responsibility, and Rights: Feminist Ethics and Social Theory (Feminist Constructions) is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Michael Green:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many issue for the book? But any people feel that they enjoy for reading. Some people likes reading through, not only science book but novel and Recognition, Responsibility, and Rights: Feminist Ethics and

Social Theory (Feminist Constructions) or maybe others sources were given understanding for you. After you know how the great a book, you feel would like to read more and more. Science book was created for teacher or even students especially. Those books are helping them to bring their knowledge. In additional case, beside science book, any other book likes Recognition, Responsibility, and Rights: Feminist Ethics and Social Theory (Feminist Constructions) to make your spare time far more colorful. Many types of book like this one.

Joe Garner:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Recognition, Responsibility, and Rights: Feminist Ethics and Social Theory (Feminist Constructions) can make you truly feel more interested to read.

Juan Gilbert:

Some people said that they feel fed up when they reading a e-book. They are directly felt it when they get a half regions of the book. You can choose typically the book Recognition, Responsibility, and Rights: Feminist Ethics and Social Theory (Feminist Constructions) to make your personal reading is interesting. Your personal skill of reading proficiency is developing when you such as reading. Try to choose very simple book to make you enjoy to read it and mingle the idea about book and reading through especially. It is to be initial opinion for you to like to open up a book and go through it. Beside that the reserve Recognition, Responsibility, and Rights: Feminist Ethics and Social Theory (Feminist Constructions) can to be a newly purchased friend when you're feel alone and confuse using what must you're doing of the time.
