### Slightly Married By Mary Balogh

Meet the Bedwyns...six brothers and sisters—men and women of passion and privilege, daring and sensuality...Enter their dazzling world of high society and breathtaking seduction...where each will seek love, fight temptation, and court scandal...and where Aidan Bedwyn, the marriage-shy second son, discovers that matrimony may be the most seductive act of all....

Like all the Bedwyn men, Aidan has a reputation for cool arrogance. But this proud nobleman also possesses a loyal, passionate heart—and it is this fierce loyalty that has brought Colonel Lord Aidan to Ringwood Manor to honor a dying soldier's request. Having promised to comfort and protect the man's sister, Aidan never expected to find a headstrong, fiercely independent woman who wants no part of his protection...nor did he expect the feelings this beguiling creature would ignite in his guarded heart. And when a relative threatens to turn Eve out of her home, Aidan gallantly makes her an offer she can't refuse: marry him...if only to save her home. And now, as all of London breathlessly awaits the transformation of the new Lady Aidan Bedwyn, the strangest thing happens: With one touch, one searing embrace, Aidan and Eve's "business arrangement" is about to be transformed...into something slightly surprising.

### Editorial Review

From Publishers Weekly

Historical romance maven Balogh (*A Summer to Remember*, etc.) falls back on the oft-used marriage of convenience formula for her first Bedwyn family installment, but what this whimsical Regency-era romance lacks in originality, it more than makes up for in character and execution. Having promised a dying officer that he'll protect the man's sister "no matter what," Col. Aidan Bedwyn calls on Eve Morris to offer his condolences and aid. Still in mourning over the death of her coal miner father a year earlier, Eve now stands to be turned out onto the street due to a peculiar condition of her father's will. Only by marrying can she save her home, which she shares with several orphans, an impoverished aunt and a staff composed mainly of outcasts. Ever one to honor his promises, Aidan proposes, and Eve accepts. The two plan to separate after saying their vows, but Aidan's eldest brother, the Duke of Bewcastle, insists that Eve be presented to the queen. To Aidan's amazement, Eve proves she has the mettle to stand up to his haughty family. Believable complications and an intriguing clash of personalities ensure the story never grows stale, and Balogh's quirky supporting characters—including Eve's gutsy housekeeper and Aidan's formidable aunt—sprinkle the tale with homespun humor.

From [Booklist](#)

Readers will be delighted with Balogh's new series that features the half-dozen members of the Bedwyn family first met in *A Summer to Remember*. In *Slightly Married*, the second Bedwyn son, Colonel Lord Aidan, journeys to Ringwood Manor to honor the dying request of one of his men: Aidan is to impart the news of his death directly to his sister, and protect her. Eve Morris does need protection. The death of her brother less than a year after her father's will leave her and her entire entourage of "lame ducks" homeless. To protect her Aidan proposes a marriage of convenience, but soon the secret is out and Eve must take her place as a member of the ton. *Diana Tixier Herald*
