**The New Structural Social Work: Ideology, Theory, Practice** By Bob Mullaly

*The New Structural Social Work* reveals the shortcomings of conventional social work, which accepts and participates in the present social order rather than addressing the systemic social problems that exist within capitalist societies. Mullaly advocates for a progressive view of social work that is practiced within the social agency, outside of the agency, and within the personal lives of structural social workers.

### Editorial Review

#### Review

"This book will prove exciting reading for all students, practitioners, and educators concerned with the articulation of a renewed framework for understanding social work practice...a profound contribution to social work theory overall...*The New Structural Social Work* shows us how social work should, and can, transcend helping clients cope with social problems and include a determined effort to address the source of their problems."--*Research on Social Work Practice*

"This book will prove exciting reading for all students, practitioners, and educators concerned with the articulation of a renewed framework for understanding social work practice...a profound contribution to social work theory overall...*The New Structural Social Work* shows us how social work should, and can, transcend helping clients cope with social problems and include a determined effort to address the source of their problems."--*Research on Social Work Practice*

"*The New Structural Social Work* is a text for new social work students that could offer a context to their professional studies and practice and a direction for their idealism...The impressive social and political analysis that Mullaly offers should be a backdrop and a context for all of social work practice..."--*CASW Bulletin*
