Brill's Companion to Statius (Brill's Companions in Classical Studies) From Brill

Brill's Companion to Statius is the first companion volume to be published on arguably the most important Roman poet of the Flavian period. Thirty-four newly commissioned chapters from international experts provide a comprehensive overview of recent approaches to Statius, discuss the fundamental issues and themes of his poetry, and suggest new fruitful areas for research. All of his works are considered: the *Thebaid*, his longest extant epic; the *Achilleid*, his unfinished epic; and the *Silvae*, his collected short poetry. Particular themes explored include the social, cultural, and political issues surrounding his poetry; his controversial aesthetic; the influence of his predecessors upon his poetry; and the scholarly and literary reception of his poetry in subsequent ages to the present.

Editorial Review

Review

"In the Introduction the editors state that they have attempted to provide for our readers both an overview of present trends in research and a stimulus to future exploration of Statius, his times, and his reception (pp. 13-14). These goals are easily met in the volume and everywhere contributors point to fertile avenues for future research. Students and scholars alike will find much value here." Andrew M. McClellan, "Bryn Mawr Classical Review" 2016.03.43."

Users Review

From reader reviews:

Lucile Brown:

What do you concentrate on book? It is just for students because they're still students or that for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has diverse personality and hobby for every single other. Don't to be forced someone or something that they

don't wish do that. You must know how great and also important the book Brill's Companion to Statius (Brill's Companions in Classical Studies). All type of book would you see on many solutions. You can look for the internet methods or other social media.

Susanne Pineda:

Reading a publication can be one of a lot of pastime that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new information. When you read a guide you will get new information due to the fact book is one of numerous ways to share the information or their idea. Second, examining a book will make anyone more imaginative. When you studying a book especially fictional works book the author will bring you to definitely imagine the story how the personas do it anything. Third, you could share your knowledge to other folks. When you read this Brill's Companion to Statius (Brill's Companions in Classical Studies), it is possible to tells your family, friends along with soon about yours reserve. Your knowledge can inspire the others, make them reading a publication.

David Waymire:

A lot of people always spent all their free time to vacation as well as go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. In order to try to find a new activity that is look different you can read the book. It is really fun for yourself. If you enjoy the book that you just read you can spent all day long to reading a reserve. The book Brill's Companion to Statius (Brill's Companions in Classical Studies) it doesn't matter what good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. In case you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore very easily to read this book through your smart phone. The price is not too costly but this book offers high quality.

Kimberley Bailey:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Brill's Companion to Statius (Brill's Companions in Classical Studies) can make you truly feel more interested to read.
