Halftime: Moving from Success to Significance By Bob P. Buford

Are you ready to move into the second half of your life?

Bob Buford believes the second half of your life can be better than the first. Much better. But first, you need time to figure out what you want to *do* with the rest of your life.

In *Halftime*, Buford focuses on this important time of transition—the time when, as he says, a person moves beyond the first half of the game of life. It’s halftime, a time of revitalization and for catching a new vision for living the second half, the half where life can be lived at its most rewarding. As Buford explains, “My passion is to multiply all that God has given me, and in the process, give it back.”

Features of this newly updated and expanded 20th Anniversary edition include a foreword by Jim Collins, the bestselling author of *Good to Great*; new questions for reflection or discussion at the end of each chapter; brand new “halftime” stories of men and women enjoying a second half of significance; specific halftime assignments to guide readers into their second-half mission; an essay by Bob on “The Wisdom of Peter Drucker”; a special update from the author on how the halftime movement is growing nationally, and links to outstanding resources.

Editorial Review

Amazon.com Review

According to Bob Buford, broaching midlife doesn't have to be a crisis. In fact, in *Half Time*, Buford insists that it is actually an opportunity to begin the better half of life. The first half is busy with "getting and gaining, earning and learning," doing what you can to survive, while clawing your way up the ladder of success. The second half of life should be about regaining control, calling your own shots, and enjoying "God's desire ... for you to serve him just by being who you are, by using what he gave you to work with." What lies between the two is "halftime." Buford argues that whether you are a millionaire, a manager, or a teacher, you will one day have to transition from the struggle for success to the quest for significance. Halftime, then, is a quiet time of deliberate decision-making, restructuring, and passionate contemplation of your heart's deepest desires. Buford's writing is grounded in the real-life experience of success and failure, and most poignantly, the death of his son. While he has led a very successful life in the eyes of the world, Buford's personal stories reveal that his faith in Christ is his central priority. Instead of a transition to be feared, Buford makes midlife an introspective journey of abundance that will unleash God's best for you. -- *Jill Heatherly*
