Liar's Web By Sandra Bell Calhoun

A shocking betrayal. When photographer Star Evans returns to her hometown of Liberty Creek, Texas, to attend her grandmother's funeral, she has no idea of the drama that awaits her. Star receives a letter written by her grandmother informing her that eight years ago she crafted a shattering lie in order to separate her from the young man she loved. Now, in order to fulfill her grandmother's dying wish, Star must come face to face with her past by enlisting the help of her first love.

The One That Got Away. Case Matthews once loved Star with all his heart and soul. Until the day she left town without a word of goodbye and shattered him, body and soul. Now, years later, Case is a successful rancher who's moved on from heartbreak and loss. When Star comes knocking at his door asking for his help, he has no intention of having anything to do with the pampered princess. But when danger comes calling at her family's ranch, Case steps in to protect the woman he still loves. And as they work together to unravel the mysteries of the past and present, an explosive passion re-ignites.
