Editorial Review

From the Back Cover

Here is all you'll need for the confidence to sail, from acclaimed instructor and decades-long sailor Dave Franzel. Founder and director of the Boston Sailing Center, Franzel has been teaching men, women, and children how to sail for some thirty-five years using this no-nonsense, direct approach designed to get the beginner quickly from book to boat. He believes that the best and most effective way to learn to sail is to be out on the water. He's pared and trimmed superfluous information and distilled the rest into the most economical, straightforward approach possible. It's worked for thousands of his students and now it can work for you.

Inside you will find information on: getting started; wind and points of sail; sail trim and balance; tides and currents; anchoring; navigation; spinnaker sailing; heavy-weather sailing and much more.

About the Author

DAVE FRANZEL is the founder and director of The Boston Sailing Center, where hundreds of men, women, and children learn to sail each year. His experience also includes stints as head instructor and managing director at other well-known sailing schools. He is one of the more successful Soling and Sonar racing skippers in the country. He lives in Boston, Massachusetts.

Users Review

From reader reviews:

Lori Morgan:

Spent a free time and energy to be fun activity to perform! A lot of people spent their down time with their family, or their friends. Usually they performing activity like watching television, likely to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Might be reading a book may be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the publication untitled Sailing: The Basics: The Book That Has Launched Thousands can be great book to read. May be it is usually best activity to you.

Terrie Anderson:

The reason why? Because this Sailing: The Basics: The Book That Has Launched Thousands is an unordinary book that the inside of the book waiting for you to snap that but latter it will shock you with the secret the item inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content inside of easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have got such as help improving your talent and your critical thinking means. So , still want to hold up having that book? If I had been you I will go to the guide store hurriedly.

Paul Quintana:
