The Musician's Guide to Theory and Analysis (Second Edition) (The Musician's Guide Series) By Jane Piper Clendinning, Elizabeth West Marvin

Emphasizing real music and music-making, *The Musician's Guide to Theory and Analysis* gives students the hands-on tools they need to learn how music works.

Theoretically current and pedagogically innovative, the *Musician's Guide* series uses the phrase model approach to show students how music works in context. With a focus on real music literature that students know and play, it shows how music theory relates directly to practice and performance. *The Musician's Guide to Theory and Analysis* includes all topics essential to first- and second-year theory for music majors, from fundamentals to post-tonal theory and analysis.
