True Story (Ni-Ni Girl Chronicles) By Ni-Ni Simone

What's a girl to do when love has her caught up?

That's the plight of eighteen-year-old Seven McKnight. Her freshman year at Stiles University turned out to be a tug of war for her heart and her sophomore year promised more of the same. Just when she'd sworn off her ex-boyfriend, Josiah Whitaker, and thought she'd never love him again, he boldly stepped back into her life, with no regard that she'd moved on with Zaire St. James, her new boyfriend.

Caught off guard and thrust into a whirlwind of emotion, Seven no longer knows if she should stay or go. . . All she knows is that old feelings won't die, her new love is being ruined by lies, and the fairy tale she once dreamed of may never become her true story.

Praise for Ni-Ni Simone

"Smart and cutting, full of clever comebacks." --*Kirkus* on *No Boyz Allowed*

"This is creative, innovative, and important storytelling for today's urban teen readership." --*Library Journal* on *Teenage Love Affair*

Editorial Review

From School Library Journal

Gr 10 Up—College sophomore Seven McKnight has spent the summer holed up with her new man, Zaire. But when September comes and school is back in session, her former love, Josiah, is putting the full-court press on her. Who will Seven choose—reformed bad boy Zaire, with whom she shares a comfortable routine, or the ex who broke her heart? Readers will be caught up in the melodrama that swirls around the 18-year-old. Hilarious sidekicks and BFFs who simply want her to enjoy college life are with her every step of the way. Though some of Seven's actions and decisions may be uncomfortable, her character is well drawn and certainly rings true as a teen trying on adult relationships for the first time. The book is filled with great banter among the characters and captures the spirit of life at a big city university. Teens will enjoy the latest chapter in this urban heroine's story.—Elaine Baran Black, Georgia Public Library Service, Atlanta

Users Review

From reader reviews:

Beatrice Pearson:

Book is to be different for every grade. Book for children right up until adult are different content. To be sure that book is very important normally. The book True Story (Ni-Ni Girl Chronicles) had been making you to know about other know-how and of course you can take more information. It is rather advantages for you.
