Editorial Review

About the Author

Gunnar Adler-Karlsson, educated in economics by the Nobel Prize-winning Gunnar Myrdal, wrote a book on Western economic warfare between 1949 and 1967, which is sometimes still mentioned as the classical book in that field. After fifteen years as a professor in Denmark, in 1988 he established the Institute for International Social Philosophy at the island of Capri.

Users Review

From reader reviews:

Kathleen Owens:

As people who live in the particular modest era should be revise about what going on or data even knowledge to make these people keep up with the era which can be always change and move ahead. Some of you maybe can update themselves by studying books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what one you should start with. This Biological Origin of Evil is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Jared Smith:
