Handbook of Conflict Analysis and Resolution From Routledge

This major *Handbook* comprises cutting-edge essays from leading scholars in the field of Conflict Analysis and Resolution (CAR).

The volume provides a comprehensive overview of the core concepts, theories, approaches, processes, and intervention designs in the field. The central theme is the value of multidisciplinary approaches to the analysis and resolution of conflicts. This consists of moving from the study of analytical approaches to understanding the deep-rooted causes of conflict, to third-party intervention approaches to preventing or ending violence, and to resolving and transforming conflict.

The book is divided into four main parts:

Part I: Core Concepts and Theories

Part II: Core Approaches

Part III: Core Practices

Part IV: Alternative Voices and Complex Intervention Designs

The *Handbook of Conflict Analysis and Resolution* is a benchmark publication with major importance both for current research and for the future of the field. It will be essential reading for all students of conflict resolution, peace and conflict studies, and International Relations in general, as well as to practitioners in the field.
