Lord of Fire By Gaelen Foley

Gaelen Foley has become one of the hottest new writers in romance, enticing her readers with bold love stories that burn with emotional intensity. Now in new novel, she presents her most unforgettable hero yet, the irresistible Lord of Fire.

After years of preparation, he has baited his trap well, luring the depraved members of Society into his devil's playground so he can earn their trust and uncover their secrets. Yet no one in London suspects that Lord Lucien Knight is England's most cunning spy, an officer who has sacrificed his soul for his country. Now an unexpected intruder has invaded his fortress of sin, jeopardizing his carefully laid plans—and igniting his deepest desires.

Beautiful, innocent, Alice Montague finds herself at the mercy of scandalous Lord Lucien. But as he begins his slow seduction to corrupt her virtue, Alice glimpses a man tormented by his own choices, a man who promises her nothing except his undeniable passion. . . .

Editorial Review

From Publishers Weekly

A sequence of improbable events propel a virtuous, 21-year-old spinster and a moody rogue to meet and fall in love in the second installment in Foley's Regency-era Knight series (after *The Duke*). The story opens with a dramatic flourish when Alice Montague stumbles upon an orgy organized by the mysterious Lord Lucien Knight. Alice has come to "rescue" her sister-in-law, Caro a one-dimensional character who spends the entire book flitting in and out of men's beds and making mischief but she soon finds that she needs rescuing herself. Lucien, who is really one of England's premiere spies, has refused to let her leave his side for at least a week, but she fears that it will take less time than that to fall in love with the devilish rake. The story is at its best when Lucien and Alice are alone together, sharing their dreams and insecurities and developing a genuine relationship. Unfortunately, these intimate moments are all too rare. Midway through the novel, their romance gives way to a far-fetched subplot involving the capture of a French spy who plans to kill Lucien and terrorize England. Though they occasionally devolve into stereotypes, Foley's protagonists are captivating, but her hackneyed plot doesn't do them justice.

From [Booklist](#)

Lord Lucien Knight is known throughout the town for the wild bacchanals that take place at his country estate, Revell Court; but Lucien, a spy for the British government, actually uses these notorious parties as a means of gathering intelligence. Used to consorting with all kinds of jaded, depraved individuals, he isn't sure how to handle an innocent like Alice Montague, who shows up at Revell Court looking for her sister-in-law, Caroline Glenwood. Bewitched by her refreshing naivete, Lucien offers Alice a deal: he will allow Caroline to leave only if Alice remains with him for one week. As Lucien begins a campaign of seduction, Alice searches for some way to redeem the soul of this wicked rake. Foley's latest historical, the second in her series featuring the Knight Miscellany, is an addictive combination of complex, subtly shaded characters; richly sensual love scenes; elegantly fluid prose; and a plot laced with danger and intrigue. Lucien is a truly memorable "tortured" hero, and readers will be captivated by his redemption through Alice's love. Foley's wonderful romance will appeal to Amanda Quick and Stephanie Laurens fans. *John Charles*
