**Shadow Spell (Cousins O'Dwyer)** By Nora Roberts

**From #1 *New York Times* bestselling author Nora Roberts comes the second novel in a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love...**

### **Book Two of The Cousins O'Dwyer Trilogy**

*Shadow Spell*

With the legends and lore of Ireland running through his blood, falconer Connor O'Dwyer is proud to call County Mayo home. It's where his sister, Branna, lives and works, where his cousin, Iona, has found true love, and where his childhood friends form a circle that can't be broken...

A circle that is about to be stretched out of shape—by a long-awaited kiss.

Meara Quinn is Branna's best friend, a sister in all but blood. Her and Connor's paths cross almost daily, as Connor takes tourists on hawk walks and Meara guides them on horseback across the lush countryside. She has the eyes of a gypsy and the body of a goddess...things Connor has always taken for granted—until his brush with death propels them into a quick, hot tangle.

Plenty of women have found their way to Connor's bed, but none to his heart until now. Frustratingly, Meara is okay with just the heat, afraid to lose herself—and their friendship—to something more. But soon, Connor will see the full force and fury of what runs in his blood. And he will need his family and friends around him when his past rolls in like the fog, threatening an end to all he loves...

### Editorial Review

From [Booklist](#)

Cabhan is coming. Despite the best efforts of Connor O'Dwyer and his circle of family and friends, the sorcerer will not stop until he has his revenge against the descendants of dark witch Sorcha. Since Connor, his sister Branna, and their cousin, Iona Sheehan, are the latest group of three to have inherited Sorcha's powers, they are all number one on Cabhan's hit list. Everyone's safety depends on working together to defeat Cabhan, but much to his surprise, Connor finds himself distracted by Meara Quinn. The two have always enjoyed a terrific working relationship, until an unexpected kiss reveals the true passion they feel for each other. Pursuing a romantic relationship with Meara, however, is a risk. Not only could Connor lose her friendship; getting closer to Meara could make her an easy target for Cabhan. Roberts has a real flair for seamlessly melding day-to-day domestic details and the supernatural, and the second in her Cousins O'Dwyer trilogy not only delivers a satisfying love story but also effectively sets things up for the coming final confrontation with Cabhan. --John Charles
