Wild at Heart Revised and Updated: Discovering the Secret of a Man's Soul

By John Eldredge

Every man was once a boy. And every little has dreams, big dreams, dreams of being the hero, of beating the bad guys, of doing daring feats and rescuing the damsel in distress. Every little girl has dreams, too: of being rescued by her prince and swept up into a great adventure, knowing that she is the beauty.

But what happens to those dreams when we grow up? Walk into most churches, have a look around, and ask yourself: What is a Christian man? Without listening to what is said, look at what you find there. Most Christian men are . . . bored.

John Eldredge revises and updates his best-selling, renowned Christian classic, *Wild at Heart*, and in it invites men to recover their masculine heart, defined in the image of a passionate God. And he invites women to discover the secret of a man's soul and to delight in the strength and wildness men were created to offer. John Eldredge is the director of Ransomed Heart

Editorial Review

Amazon.com Review

If Christian men are going to change from a pitiful, wimpy bunch of "really nice guys" to men who are made in the image of God, they must reexamine their preconceptions about who God is and recover their true "wild" hearts, writes bestselling author John Eldredge in *Wild at Heart: Discovering a Life of Passion, Freedom, and Adventure*. Eldredge throws down the gauntlet--men are bored; they fear risk, they refuse to pay attention to their deepest desires. He challenges Christian men to return to authentic masculinity without resorting to a "macho man" mentality. Men often seek validation in venues such as work, or in the conquest of women, Eldredge observes. He urges men to take time out and come to grips with the "secret longings" of their hearts. Although the book succeeds best in its slant toward a male audience, it also strives to help women understand the implications of authentic masculinity in their relationships with men. Eldredge frames the book around his outdoor experiences and appealing anecdotes about his family, sprinkling the text with touches of humor and overlying everything with heartfelt passion. Even as he mixes eclectic ideas about masculinity from popular movies such as *Braveheart* with classic words from Oswald Chambers, and lyrics from the Dixie Chicks with stories from the Bible, he points to only one answer for men searching for their true wildness of heart. Writes Eldredge, "The only way to live in this adventure ... with all its danger and unpredictability and immensely high stakes ... is in an ongoing, intimate relationship with God." --Cindy Crosby

Review

"A formidable answer to an age-old question: How can a man make himself tolerable and useful while accepting and expressing his primordial maleness--the searching and aggressive urges to conquer what needs subduing, protect the vulnerable, fix what is broken, compete and risk what demands to be risked in himself and the world? The author's message is set in the Christian tradition without being controlled by its ideology. Eldredge believes that institutions can oppress a man's heart and keep society from benefiting from his fierce desire to love, do good, fight evil, and go beyond the limits. The exceptional writing and ideational balance (and a sensitive interpretation by Kelly Dolan) make this a compelling effort to integrate the hero's gritty nature with the public good."

Review

"*Wild at Heart* is one of the most inspiring books I've read this year! I buy it by the case to give to everyone! John has touched a place in manhood that desperately needed to be awakened"

-Dave Ramsey, *Nationally Syndicated Radio Host, Best Selling Author*

"*Wild at Heart* opened my eyes to a 'me' I had lost. I had traded my soul for security and was not the person my wife fell in love with. This book changed my life, overnight."

-Jim Seybert, *Private Consultant, former Vice President Business Development, The Parable Group, Inc.*
