Amazing Grace By Danielle Steel

On a warm May night in San Francisco, the Ritz-Carlton ballroom shimmers with crystal and silver as a glittering, celebrity-studded crowd gathers for a charity dinner dance. The evening is perfect—until, just minutes before midnight, the room begins to sway. Glass shatters. And as the lights go out, people begin to scream....

In the earthquake's aftermath, the lives of four strangers will converge.... Sarah Sloane, the beautiful wife of a financial whiz, watches her perfect world fall to pieces.... Grammy-winning singer Melanie Free, the event's headliner, comes to a turning point in her life and career.... Photographer Everett Carson, a former war correspondent whose personal demons have demoted him to covering society parties, finds new purpose amid the carnage...and Sister Maggie Kent, a nun who normally works in jeans and high-tops with the homeless, searches through the rubble—and knows instantly that there is much work to be done....

As the city staggers back to life, a chain reaction of extraordinary events will touch each of the survivors.... For Sarah, it begins with the discovery of a crime and a betrayal, then a strength she never knew she had. For Melanie, volunteering at a refugee camp will open new worlds of possibility. And Everett will be shaken by the unlikely relationship he forges with Maggie, who helps him rebuild his shattered life—and upends her own in the process. But as a year passes, and the anniversary of the earthquake approaches, more surprises are in store—as each discovers the unexpected gifts in a tragedy's wake...and the amazing grace of new beginnings.

Throughout these enthralling pages, Danielle Steel creates a stunning array of contrasts—from the dazzle of a society benefit to the chaos of a makeshift hospital, from the pampered lives of rock stars to the quiet heroism of emergency volunteers. It is her most powerful and life-affirming novel to date.

From the Hardcover edition.

Editorial Review

From Publishers Weekly

With *Bungalow 2* still on bestseller lists, Steel checks in with a Bay Area earthquake that shakes up the lives of three beautiful, talented yet somehow unfulfilled women. Sarah Sloane, 30-something wife of Seth, a wildly successful hedge fund entrepreneur, and mother of two, has planned to perfection a high-ticket charity auction. The only thing she hasn't counted on is the biggest seismic event to hit San Francisco since 1906 and the aftershocks it will cause in her marriage. Meanwhile, hot Grammy-winning 19-year-old singer Melanie Free, flown in to perform at the benefit, likewise finds her life overturned: following an on-stage triumph, Melanie throws away her platform shoes to assist disaster victims, admitting—much to the annoyance of her pushy stage mother and her TV actor boyfriend—that she always wanted to be a nurse. Sarah and Melanie face change with support from the 40-ish Sister Maggie Kent, a California nun whose good deeds draw the interest of recovering alcoholic and former AP photojournalist Everett Carson, who captures her in pictures. As marriage, faith and vows of chastity are tested, there's nothing complicated to spoil the romance. Steel delivers a sparkly story with an uplifting spiritual twist. (*Oct.*)

Users Review

From reader reviews:

Chris Bynum:

Book will be written, printed, or descriptive for everything. You can know everything you want by a guide. Book has a different type. As you may know that book is important point to bring us around the world. Alongside that you can your reading expertise was fluently. A book *Amazing Grace* will make you to always be smarter. You can feel more confidence if you can know about every little thing. But some of you think in which open or reading a book make you bored. It is far from make you fun. Why they could be thought like that? Have you seeking best book or appropriate book with you?

Adele Rowan:

Book is to be different per grade. Book for children till adult are different content. We all know that that book is very important normally. The book *Amazing Grace* had been making you to know about other

understanding and of course you can take more information. It is extremely advantages for you. The reserve Amazing Grace is not only giving you considerably more new information but also to become your friend when you truly feel bored. You can spend your personal spend time to read your e-book. Try to make relationship with the book Amazing Grace. You never feel lose out for everything in the event you read some books.

Dorinda Kling:

This Amazing Grace usually are reliable for you who want to be described as a successful person, why. The explanation of this Amazing Grace can be one of several great books you must have is actually giving you more than just simple reading food but feed you with information that probably will shock your before knowledge. This book is actually handy, you can bring it everywhere and whenever your conditions in e-book and printed versions. Beside that this Amazing Grace forcing you to have an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we know it useful in your day pastime. So , let's have it and revel in reading.

Linda Harris:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Amazing Grace can make you sense more interested to read.
